AMENDMENT 05

The purpose of this amendment is to answer questions from industry.

Question 1: We are able to submit the RFP through email, but as this is a design-focused RFP we are worried that some of our assets may be too big to send through email. Are we able to send a Dropbox link or send through WeTransfer?

Answer 1: Yes, this is acceptable.

Question 2: Do we need to submit samples for the M1 requirements or is a list of items sufficient?

Answer 2: No samples required here, simply a list of projects along with client name, telephone number, e-mail address, project title, project description and deliverables.

Question 3: Can you please clarify the requirements for compliance with the Canadian Multiculturalism Act (section M3 of the RFP):

The Bidder must provide one (1) sample of projects/work completed that demonstrates compliance with the *Federal Identity Program (FIP)*, comply with the *Official Languages Act*, and meet the requirements of the *Canadian Multiculturalism Act* to reflect the diversity of the Canadian population. Will this requirement be met if the sample project features photography or graphics that show a diverse Canadian population? What other means are acceptable to meet this requirement?

Answer 3: Yes, the most critical component for this requirement is that you are able to provide a sample that shows Canada's diverse peoples.

Question 4: Do the examples submitted under R2 need to be for the Government of Canada or are we free to use any client?

Answer 4: This requirement is not limited to Government of Canada.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
