

## Questions

1. Are you interested in attending the one-on-one sessions?
2. Is your Laboratory accredited by the Standards Council of Canada or the Canadian Association for Laboratory Accreditation Inc.?
3. What is your capacity and ability to provide the services and meet the requirements as defined in the Statement of Work?
4. If the CFIA required a shorter turn-around time than defined in the Statement of Work, what would a minimum reasonable turn-around time be before operations are affected and impact the costs of testing to CFIA?
5. What is the relative impact that would occur if the turn-around time requirement on the entire sample is reduced to 90, 60, 30 days? Would this impact the number of samples you have capacity for, number of tests which could be performed on a given sample, and/or costs to CFIA, etc?
6. Can you propose any suggestions to sampling and/or testing in the samples that would help mitigate impacts to the laboratory and/or CFIA?
7. It is intended to award multiple standing offers for a period of three (3) years, with two (2) option periods of one (1) year each. Do you have any comments on the proposed period of the SO?
8. Please identify any other issues, concerns, recommendations not addressed above.
