AMENDMENT 07

The purpose of this amendment is to answer questions from industry and update Annex B: Basis of Payment.

Question 1: The Government of Canada has NMSO agreements for the provision of the services detailed in the RFP with numerous Canadian firms. Why is Statistics Canada seeking a contractor outside of this existing NMSO?

Answer 1: Statistics Canada determined that the NMSO does not respond to our need

Question 2: We are seeking clarification for R2; are bidders required to provide samples from previous work or create new samples? If bidders are required to create new samples based on the specifications listed for sample 1, 2, and 3, we are requesting an extension for the deadline; however, if bidders are to submit samples from previous work, please disregard our request for an extension.

Answer 2: Bidders are not required to create new samples for this solicitation. Previous work samples are acceptable.

Question 3: In Annex B, Basis of Payment, only a price for Graphic Design Services and AA's is requested. Are you looking for a blended rate that would also include Account Management?

Answer 3: Bidders must submit their financial bid in accordance with Annex B- Basis of Payment, which contains the all-inclusive hourly rates for both Graphic Design Services and Author's Alterations.

The RFP is amended as follows:
