The following changes to the tender documents are effective immediately. This amendment will form part of the contract documents.

Amendment 001 is issued for the following:

(1) Bidders Questions and Answers

(1) Bidders Question and Answer

QUESTION # 1 :

On drawing ID04 there is a wall which measured 3050mm. When I place my software to this scale, it gives me a scale in between 1:100-1:125, which does not exist.

Even the drawings on ID08 & ID09, with scales 1:20, the dimensions at this scale do not correspond to the ones of the drawing.

I strongly believe that the drawing size is not corresponding to the one at which the PDF is scaled at.

ANSWER # 1 :

Bid as per plans and specs. Refer to the following drawings:

Drawings ID00 to ID09 are for reference only, not to be scaled.

QUESTION # 2 :

Referring to the drawing ID-02, 10th floor Existing Furniture Plan, it mentions that the disposal location to be determined by the Departmental Representative. In order to establish a cost for the temporary storage of the furniture, would it be possible to inform the bidders of the chosen location to satisfy the Client need? Another question regarding the existing furniture, is the general contractor also responsible of removing the existing printers or any electronic devices?

ANSWER # 2 :

The storage location will be room P113C – located on the P1 level of the West tower of L'Esplanade Laurier. There are no existing printers or other electronic devices.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
