SI14 PROMOTION OF DIRECT DEPOSIT INITIATIVE

The following information is not related to the solicitation process:

An initiative within the Government of Canada called the Cheque Standardization Project has been established whereby eventually for all payments, cheque stubs will no longer be printed and, with few exceptions, will be processed via direct deposit. This option is only available when payment is made in Canadian dollars for deposit into a Canadian bank account. In an attempt to be proactive, RCMP Corporate Accounting is promoting the registration of RCMP suppliers for the upcoming change in the payment process.

If you are the successful bidder on this or any other RCMP requirement, you are encouraged to register with the RCMP for direct deposit. Please contact RCMP Corporate Accounting by email to receive a form entitled Recipient Electronic Payment Registration Request along with instructions for completion of the form.

Should you have any questions regarding the Cheque Standardization Project or if you want to register, please contact the following email: corporate_accounting@rcmp-grc.gc.ca

SI15 SECURITY RELATED REQUIREMENTS

1. **Before commencement of the Work, the Contractor must hold a valid** Security Clearance as indicated in section SC01 of the Supplementary Conditions.

Solicitation No.: 201905804

2. The successful Bidder's personnel, as well as any subcontractor and its personnel, who are required to perform any part of the Work pursuant to the subsequent contract must meet the mandatory security requirement as indicated in section SC01 of the Supplementary Conditions. Individuals who do not have the required level of security will not be allowed on site. It is the responsibility of the successful Bidder to ensure that the security requirements are met throughout the performance of the contract. Canada will not be held liable or accountable for any delays or additional costs associated with the successful Bidder's non-compliance with the mandatory security requirement.

- (b) Compliance with the insurance requirements does not release the Contractor from or reduce its liability under the Contract. The Contractor is responsible for deciding if additional insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any additional insurance coverage is at the Contractor's expense, and for its own benefit and protection.

2) Period of Insurance

- (a) The policies required in the Certificate of Insurance must be in force from the date of contract award and be maintained throughout the duration of the Contract.
- (b) The Contractor must be responsible to provide and maintain coverage for Products/Completed Operations hazards on its Commercial General Liability insurance policy, for a period of six (6) years beyond the date of the Certificate of Substantial Performance.

3) Proof of Insurance

- (a) Before commencement of the Work, and no later than thirty (30) days after contract award, the Contractor must deposit with Canada a Certificate of Insurance on the form attached herein.
- (b) Upon request by Canada, the Contractor must provide originals or certified true copies of all contracts of insurance maintained by the Contractor pursuant to the Certificate of Insurance.

4) Insurance Proceeds

In the event of a claim, the Contractor must, without delay, do such things and execute such documents as are necessary to effect payment of the proceeds.

5) **Deductible**

The payment of monies up to the deductible amount made in satisfaction of a claim must be borne by the Contractor.

APPENDIX 1 – PHASE ONE QUALIFICATION FORM

Bidder Instructions: The Bidder is requested to respond to the Phase One Evaluation Criteria using the table formats below.

Note to Bidders: Listing experience without providing any supporting data to describe where and how such experience was obtained will result in the experience not being included for evaluation purposes. If any of the requirements under this section is omitted from the Phase One bid, it will be set aside without further consideration and the Phase One bid will be considered to be non-responsive. In the case of any mandatory criteria, a lack of supporting information will render the Phase One bid non-responsive and will be set aside without further consideration.

MANDATORY REQUIREMENTS

At Phase One bid closing time, the Bidder must:

- a) comply with the following Mandatory Requirements; and
- b) provide the necessary documentation to support compliance.

Any Phase One bid which fails to meet the following Mandatory Requirements will be considered non-responsive and will not be given further consideration. Each requirement should be addressed separately.

APPENDIX 3 – PHASE TWO INTEGRITY PROVISIONS

Text copied from the Ineligibility and Suspension Policy http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html with an effective date of April 4, 2016.

- a. **List of names:** All suppliers, regardless of their status under the policy, must submit the following information when participating in a procurement processor real property transaction:
 - suppliers that are corporate entities, including those bidding as joint ventures, must provide a complete list of the names of all current directors or, for a privately owned corporation, the names of the owners of the corporation;
 - ii. suppliers bidding as sole proprietors, including sole proprietors bidding as joint ventures, must provide a complete list of the names of all owners; or
 - iii. suppliers that are a partnership do not need to provide a list of names.

If the list of names has not been received in a procurement process or real property transaction by the time the evaluation of bids or offers is completed, or has not been received in a procurement process or real property transaction where no bid/offer will be submitted, the contracting authority will inform the supplier of a time within which to provide the information. Providing the required names is a mandatory requirement for award of a contract or real property agreement. Failure to provide the list of names within the time specified will render a bid or offer non-responsive, or the supplier otherwise disqualified for award of a contract or real property agreement.

b. During the evaluation of bids or offers, a supplier must, within 10 working days, inform the contracting authority in

writing of any changes affecting the list of names submitted further to section 17(a).			

APPENDIX 4 – PHASE TWO LISTING OF SUBCONTRACTORS

- 1) In accordance with GI07 Listing of Subcontractors and Suppliers of R2710T- General Instructions Construction Services Bid Security Requirements, the Bidder should provide a list of Subcontractors with its Phase Two Bid.
- 2) The Bidder should submit the list of Subcontractors for any portion of the Work valued at 20% or greater of the submitted Phase Two Bid Price.

CERTIFICATE OF INSURANCE Page 2 of 2

Solicitation No.: 201905804

General

The insurance policies required on page 1 of the Certificate of Insurance must be in force and must include the insurance coverage listed under the corresponding type of insurance on this page.

The policies must insure the Contractor and must include Her Majesty the Queen in Right of Canada as represented by the Royal Canadian Mounted Police as an additional Insured.

The Policy shall be endorsed to provide the Owner with not less than 30 days' notice in writing in advance of any cancellation or change or amendment restricting coverage.

Without increasing the limit of liability, the policies must protect all insured parties to the full extent of coverage provided. Further, the policies must apply to each Insured in the same manner and to the same extent as if a separate policy had been issued to each.

Commercial General Liability

The insurance coverage provided must not be substantially less than that provided by the latest edition of IBC Form 2100.

The policy must either include or be endorsed to include coverage for the following exposures or hazards if the Work is subject thereto:

- (a) Blasting.
- (b) Pile driving and caisson work.
- (c) Underpinning.
- (d) Removal or weakening of support of any structure or land whether such support be natural or otherwise if the work is performed by the insured contractor.

The policy must have the following minimum limits:

- (a) \$5,000,000 Each Occurrence Limit;
- (b) \$10,000,000 General Aggregate Limit per policy year if the policy contains a General Aggregate; and
- (c) \$5,000,000 Products/Completed Operations Aggregate Limit.

Umbrella or excess liability insurance may be used to achieve the required limits.
