Project R.103420.001_____

1.1 GENERAL

- .1 Due to nature of the JAG Building, and CRA operations therein, security regulations pertaining to site will be in place during the work resulting in need for:
 - .1 Control and limitation of movement, of construction workers, inside building;
 - .2 Escort and continuous supervision of workers by security personnel;
 - .3 Specific rules and regulations as specified in this section and as directed by the Departmental Representative or CRA Security to be stringently followed.
- .2 It is the Contractor's responsibility to:
 - .1 Provide Commissionaires as per Clause 1.2;
 - .2 Become familiar with and abide by CRA security rules and regulations;
 - .3 Brief all workers and subcontractors with respect to CRA Security regulations and ensure that they abide by all rules and directives.
- .3 The Departmental Representative will coordinate pre-construction training, for the Supplier's retained Commissionaires, by CRA Security. CRA will provide details and directives on control and movement within the building.
- .4 Any infraction of CRA Security requirements on the part of the Supplier, members of work force or any Subcontractor in their employ, could result in:
 - .1 Immediate removal of offending party from the site.

1.2 SECURITY PERSONNEL

- .1 Obtain and pay for the services of security personnel, employed by the Canadian Corps of Commissionaires to provide escort and security supervision of workers and Supplier representatives during the work.
- .2 Commissionaires employed on this project must have a current Reliability Security Clearance status issued by CISC (refer to Cl. 1.3).
- .3 Provide sufficient Commissionaire to assure, per work shift, visual contact by the Commissionaires of each of the Contractor's workers or representatives.
- .4 Commissionaires are required outside of the CRA work hours of 7 a.m.

to 5 p.m. Mon to Fri.

.5 During CRA work hours, Commissionaires are required if any worker or representative does not have CISC Reliability Clearance.

.6 Commissionaires to have the following responsibilities:

.1 Limit movement of workers to within the boundaries established by CRA Security and the Departmental Representative for each work phase;

.2 Maintain a security control list of workers authorized to be on site as determined by the Contractor, the Departmental Representative, and CRA Security;

.3 Manage the distribution and control of worker ID tags;

.4 Escort workers who need to circulate on site beyond the established boundaries of work, including the corridors, stairwells and elevators used for access to and from work areas.

.5 Escort and supervise short term visitors who need access to the work site such as for material deliveries or to conduct inspections.

.6 Maintain visual contact of each worker. Commissionaires' effectiveness of maintaining visual contact will be monitored by CRA 24/7 Security.

.5 Provide additional commissionaires when required to perform supervision or escort function as may be needed due to Contractor's work operations in order that no worker is left unsupervised inside building and beyond main lobby.

.6 Ensure Commissionaire(s) are present on site for entire work shift including work breaks and time period after work shifts until all workers have left inside of the building.

.7 Commissionaire must stay within the actual construction area and provide surveillance of all workers ensuring that CRA Security rules and requirements are obeyed and to limit movement to approved work areas of site.

.8 Commissionaire must also escort workers from approved entrance doors and work area(s).

.9 Escort and supervision of workers by Commissionaire is required at all times during Facility off hours (i.e. Mon to Fri 5 p.m. to 7 a.m.). During CRA work hours only, in lieu of commissionaires Suppliers can provide valid CISC Reliability level clearance numbers of each worker.

.10 Commissionaire shall report directly to the Departmental Representative and to the Facility security personnel and ensure that site security directives are obeyed by all workers.

.1 Empower Commissionaire with authority to remove any worker

deemed non-compliant with CRA security directives.

- .11 Ensure Commissionaire is fitted with and wears approved safety hard hat, safety footwear and other personnel protective equipment appropriate to work in accordance with applicable Occupational Health and Safety requirements specified.

1.4 SECURITY PASSES

- .1 Visitor or worker ID Tags are required for all personnel requiring access inside the building and beyond the main public lobby.
- .2 ID Tags will be provided by CRA Security, issued to Contractor for distribution to authorized workers which shall also be placed on the Security Control List specified below.
- .3 All persons while on site, must wear the ID Tag issued regardless of daytime or nighttime work.
- .4 Be responsible to obtain ID Tags before work commences, including those required by subcontractors, and continually control their distribution and use by workers. Submit request for tags as early as possible and prior to commencement of work.
- .5 For the duration of this contract, anyone not in possession of the ID Tag will not be allowed access on site.
- .6 At end of project, return to Departmental Representative all tags issued to workers and to subcontractors.

.1 The Departmental Representative will levy a \$25.00 holdback against the Contract for each pass not returned regardless of the reason the pass is not returned.

- .7 Immediately report any lost, stolen or destroyed ID Tags to the Departmental Representative.

1.5 SECURITY CONTROL LIST

- .1 Provide a list of employee names from workforce and from subcontractors who will be present at site during the course of work.
- .2 List to include each person's name, address and telephone number.
- .3 Submit copy of list to Departmental Representative and to Security Commissionaire for control of workers.
- .4 Update list as work and clearances progress and to indicate the workers CISD clearance number.
- .5 Ensure that each worker can provide proof of identity upon demand, when requested by CRA Security Personnel, Departmental Representative or by the JAG Facility Manager.

1.6 BUILDING ACCESS

- .1 Keys and security access cards given to the Commissionaire for his sole possession, as determined by Departmental Representative, shall not under any circumstances be given to any worker or subcontractor.
- .2 At end of project, return to Departmental Representative all keys [and access cards] issued. Departmental Representative will deduct from final contract payment, \$25.00 for each item not returned, regardless of the reason.
- .3 Immediately report to Departmental Representative any lost, stolen or destroyed keys [and door security access cards].
- .4 When work must be carried out during Off Hours or beyond the work hours previously agreed upon at start of work, provide notice within 48 hours beforehand to minimize impact on Facility's security and tenant operations.
