Client Ref. No. - N° de réf. du client :

Title – Titre :  
Boundary Fence Replacement – Batoche National Historic Site

---

**Amendment 001**

This amendment is raised to:

- A. Distribute information from the Site Visit.
- B. Answer questions from bidders

**A. Site Visit Information****1. Site Visit Attendees**

| Vendor            | Representative's Name |
|-------------------|-----------------------|
| Finn Construction | Matt Finn             |
| Maritime Fence    | Martin McCooey        |

Contact information for the attendees are available upon request and approval from the vendors.

**B. Questions and Answers**

**Q1.** Please clarify which gates are being replaced.

**A1.** Only existing wire gates will be replaced. Metal gates will remain. Though wood posts supporting those gates will be replaced.

**Q2.** Should the new fence go through wet areas like the existing fence has done in a couple of spots?

**A2.** Yes, in 2 spots north of the main entrance gate, where the fence can be adjusted to avoid the wet areas. Shift fences towards the Park property. Any other spots found during construction can be discussed as required. It is not anticipated that shifting the fence in these 2 spots will change the overall length of fence.

**Q3.** How do you want to address holes left behind when fence posts are removed?

**A3.** Holes should be filled to prevent injury to animals or people.

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED**
