Technical drawing of the 2065OD Frame, showing dimensions and components. The drawing includes the following dimensions and labels:

- Overall width: 1641
- Overall height: 1088 OD FLANGE
- Inner width: 547
- Inner height: 930 CLEAR OPENING
- Frame width: 2065OD FRAME
- Flange width: 2153 OD FLANGE
- Clear opening width: 1995 CLEAR OPENING
- Clear opening height: 177
- Internal width segments: 546, 547, 547
- Internal height segments: 1000 OD FRAME, 177

The drawing shows a rectangular frame with a central opening. The frame is composed of two main sections: a top section and a bottom section. The top section is labeled 2065OD FRAME and the bottom section is labeled 2153 OD FLANGE. The central opening is labeled 1995 CLEAR OPENING. The overall dimensions are 1641 in width and 1088 OD FLANGE in height. The inner dimensions are 547 in width and 930 CLEAR OPENING in height. The frame is supported by four legs, each with a 177 in wide base. The frame is also equipped with a central support structure, which is labeled 1000 OD FRAME. The frame is shown in a perspective view, with the top section slightly offset from the bottom section. The drawing includes a detailed view of the frame's internal structure, showing the 546, 547, and 547 in segments. The frame is also shown with a central support structure, which is labeled 1000 OD FRAME. The frame is shown in a perspective view, with the top section slightly offset from the bottom section. The drawing includes a detailed view of the frame's internal structure, showing the 546, 547, and 547 in segments. The frame is also shown with a central support structure, which is labeled 1000 OD FRAME.
