Amendment 001 for 01E91-200289/A is raised to make the following changes:

1. Extend the Solicitation Period.

At Page 1, under Solicitation Closes

Delete:

2019-11-06

Insert:

2019-11-08

2. Amend the Request for Proposal.

At Page 9, 4.1.1.1 Mandatory Technical Criteria of the RFP

Delete:

Item M7 c) Must have ISO certification in a division related to autoclave manufacturing

At Page 16, 8. Certifications & Documents of Annex A: Requirement

Delete:

Item 8. a) ii. Supplier must have ISO certification in a division related to autoclave manufacturing

3. Respond to Questions asked during the solicitation period.

Question 1:

In reference to ANNEX A : Requirement, Item M7: CERTIFICATIONS Item (c) ;

'must have ISO certification in a division related to autoclave manufacturing'

With respect, we request this requirement be considered as an optional requirement for the following reasons.

(a) The equipment manufacturer is regulated and licenced under the strict standards of ASME, The Canadian Pressure Vessels Act (CRN), and Underwriters Laboratory (cUL). A corporate management system which has an ISO designation will do little to enhance the established manufacturing standards of the end product.

(b) Two existing units at this site have been in operation for several years. ISO certification would have had no impact on the proven performance and durability of the equipment.

Please consider our suggestion the requirement be amended to indicate the following.

'must be ISO certified in a division related to autoclave manufacturing, or must be regulated under the standards of ASME, The Canadian Pressure Vessels Act (CRN) and/or Underwriters Laboratory (uLC)'

Answer 1:

The ISO certification has been removed, see the changes made above.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
