

AMENDMENT 002

The objective of Amendment 002 is to bring the following changes/additions to the Request for Proposals (RFP):

- A. Questions/Answers
 - B. RFP Changes
-

A. Questions/Answers:

Question 1:

What is the expected spend per year over the course of the contract (including options)?

Response:

Between \$100,000 and \$250,000 a year depending on future project and facility investment

Questions 2:

We do not see any consideration for evenings/weekends for OT – as of January 1, 2018, all employers must compensate workers for OT as per Bill 148 in Ontario. We respectfully request an amendment to address the ability to provide overtime rates in accordance with legislative changes that we are mandated to follow:

Response: See revised Appendix 2 below.

Question 3:

One vendor or multiple vendors being requested as part of a standing offer?

Response:

One vendor will be awarded a contract to be used on an as and when required basis, also known as a Task Authorization contract

Question 4:

If there is a request to provide a quote for a specific job, do we need to use these standing offer rates?

Response:

Yes, the rates provided in your financial bid will be used.

B. RFP Changes

Removed Appendix “2” – Financial Proposal in its entirety and replace with the following:
