*Annex A-1.*

- Q1.** For each individual Stream, could you please clarify how many resources must be submitted with the bid? The mandatory requirements for each Stream refer to “the bidder’s proposed team of resources” but we can’t tell how large you expect these teams to be or how many CVs you expect to be evaluating with a single bid.
- A1:** There is no minimum or maximum requirement for the number of resources. The bidders should submit bids with the number of resources they judge adequate for the project.
