**Question 1:** Part number AE76330R requested is outdated and no longer exist from Eaton Aerospace. The part number that replace it is CCR nozzle 64017. Could you please take a look at the [attached] specs list for part number 64017 and advise on what design options are required?

**Answer 1:**

We have received a confirmation from the Original Equipment Manufacturer (OEM) that the part number requested in our RFP, AE76330R, is still active for procurement.

Therefore, you may bid on the procurement of part number AE76330R or offer an equivalent part number with proper equivalency documentation.
