B. Questions and Answers

Q1: *A question was received in French concerning the terminology used for the translation of Table Covers. There is no clarification needed to the English document.*

Q2. Table covers: There are 2 materials, polyester and vinyl. The vinyl is for the loose table cover and the polyester is for the fitted tablecloth?

A2: Correct

Q3: Hexagonal tube (see my picture), Is it 2.5" or 1.5"?

A3: See section A. Revisions to the Request for Standing Offer in Amendment 002

Q4: We are using a fabric that is 100% polyester and weight 330 grams per square meters for tent tops, tent walls and table covers.

A4: The fabric must meet the requirements of the Statement of Work.

Q5: For the material for flags, we are using a fabric that is 100% polyester and weight 110 grams per square meters.

A5: The fabric must meet the requirements of the Statement of Work.

Q6: Item # 10 Retractable roll-up banners, the double sided stands are not available in the same model as your illustration and quoting on a different model with same quality range and characteristics as described in your request only for the double sided stands.

A6: The visual in the Statement of Work is provided as reference only. The model does not have to be the same. However, your offer must meet the Retractable Banner stands specifications described in the Statement of Work.

Q7: Mandatory Criteria Item, Evaluation Criteria A: We have standing offers with many private companies that have amounted in over \$500,000 sales over a 3-year period. These standing offers don't necessarily have "contract numbers". We can provide client name and contact information, and they can confirm amount ordered and the nature of the standing offer. Will this suffice this criteria?

A7: See section A. Revisions to the Request for Standing Offer in Amendment 002

Q8: For section 8, the Flag banner: There is no such thing as 500D nylon used for the purpose of creating flags. I think they mean 200D nylon. Will you consider different/equivalent or superior products?

A8: See section A. Revisions to the Request for Standing Offer in Amendment 002

Q9: Is the pricing for the first 4 "flag banner" line items to include the hardware pricing (Flag+pole+cross base+ground spike + carrying bag)? Or is it for the flag only?

A9: It includes everything the hardware and the flag.

Q10: On the 5th and 6th line item for "flag banner", you're asking for hardware only. When you refer to hardware only, are you referring to only the pole? or the pole+groundspike+cross base+carrying bag?

A10: We are asking for the pole+groundspike+cross base+carrying bag.

Q11: ON the 7th line for the "flag banner", which base are you asking for pricing for? The cross base or the ground spike? or both?

A11: We are asking for the price of both the cross base with the ground spike.

Q12: In order to keep production time up, we do not provide proofs. Proofs are only provided if they are specifically asked for and it should be noted that the proofing process will affect production time.

A12: PDF proof as well as sample of products made of fabric are mandatory.

Q13. I have no detail on the accessories for the single or double-sided retractable banner with quantity of 5 each?

A13. What we mean by "accessories" for the single or double retractable roll-up banner, is how much does the structure / mechanism cost, without the banner.

Q14. What is the thickness of the polycarbonate poster that you require?

A14. 1/16 inches or 1.5875mm

Q15: Are we able to offer comparable fabrics outside of nylon that you have spec'd in the document? We manufacture our product on polyester and can meet all of the other specifications listed i.e. UV, FR, Water Resistant etc...the tablecloths we offer in 300D and 600D (9.0 page 24)

A15: Nylon is the requirement for the flag banner and a minimum of 500D (i.e. 600D acceptable).

Q16: With regards to the schedule, are all of these products expected to be delivered at the same time or are we expected to maintain any inventory for separate date deliveries?

A16: Standing Offer is going to be used by all of Parks Canada's sites. Call ups will be issues for products listed in the RFSO and must be available at any given time.

Q17: We can't seem to find the size for the feather banner, we offer a small, medium and large feather flag.

A17: What you call "Feather Banner" is the "Flag Banner". See section A. Revisions to the Request for Standing Offer in Amendment 002

Q18: Are we able to place a bid if there is one (1) product we may not be able to supply?

A18: No, all products must be provided.

ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED
