Amendment 005

LAV Equipment Storage Cages

This amendment was raised to answer questions and update the RFP:

QUESTION 1:

Can you please let me know if a forklift and forklift operator will be provided to unload these units at the delivery destination?

ANSWER 1:

No, all unloading and delivery is the responsibility of the Contractor.

INSERT:

6.13 SACC Manual Clauses

SACC Manual clause D0018C (2007-11-30) Delivery and Unloading which states:

1. Delivery trucks must be equipped with an unloading device which will permit unloading at sites with no hydraulic, stationary or other type of unloading facility.
2. When making deliveries, sufficient personnel must be provided to permit unloading of any type of vehicle without the assistance of federal government personnel.
3. At some sites, the delivery truck must be unloaded while parked at the curb. When material is placed on the sidewalk, it must be placed in proximity to the designated entrance so as to be readily accessible to transport by mechanical handling equipment utilized by site personnel.
