SOLICITATION AMENDMENT: 001

This solicitation amendment 001 has been raised to:

(A) Identify changes to the RFP

Change #1:

At the RFP Table of Contents, Appendices:

Insert: *Appendix 2.1 – Mandatory Requirement 2 Submission Form*

Change #2 [Note to Bidders: new Appendix 2.1 is published on BuyandSell.gc.ca with this solicitation amendment]:

At the RFP:

Insert: Appendix 2.1 – Mandatory Requirement 2 Submission Form

Change #3:

At Appendix 2 – Evaluation Criteria, 1. Bidder Instructions:

Delete: In its entirety

Insert:

1. Bidder Instructions:

- a. The Bidder is requested to respond to the Evaluation Criteria using the numbering formats below.
- b. Listing experience without providing supporting information will result in the experience not being included for evaluation purposes. If any of the requirements under this section are omitted from the bid, or if any of the Mandatory Criteria are not met, the bid will be deemed non-responsive and will be set aside without further consideration
- c. The Bidder should make clear references to the proposed resource's curriculum vitae (CV) or résumé for each stated claim in the response (where applicable). Complete details demonstrating how a Bidder meets each Evaluation Criteria should be provided.
- d. Project References :
 - i. Project or program references: Canada may contact the client contact to validate Bidder's responses. The information obtained through client reference validation will be used to assist in determining the compliance of the referenced project or program to the evaluation criteria. The client reference checks will result in either confirmation that project/program reference information is accurate or will result in non-consideration of the claimed project/program experience.

- ii. Bidders should only provide the required reference project(s) or program(s) as indicated in each evaluation criteria. If more than the required number of reference project(s) or program(s) is provided, only the first projects/programs listed in sequence will receive consideration and any others will not receive consideration.

Change #4:

At Appendix 2 – Evaluation Criteria, Mandatory Requirement 2: Experience of Bidder's Construction Management Team:

Delete: In its entirety.

Insert:

Mandatory Requirement 2: Experience of Bidder's Construction Management Team

In accordance with Mandatory Requirement 1, the Construction Management Team, at a minimum, must consist of a Construction Manager, Project Manager, Cost Estimator, Scheduler, Site Superintendent, and a Site Safety Officer.

Bidders are requested to complete and submit Appendix 2.1 Mandatory Requirement 2 Submission Form with their bid response to M2.

Please provide resumes for each of the above noted Construction Management Team members to support the Bidder's response to M2 (a) to (f), and limit resumes to 4 pages.

*For the reference project section for each resource category below, an institutional building refers to a structure that fulfils a role related to healthcare (hospital or medical clinic, senior living unit), education (school or university), recreation (athletic centre, public pool complex or arena) or public works (town hall, fire station, police station or detention centre).

(a) Construction Manager:

- i. The Construction Manager must have a minimum of 10 years of experience within the last 15 years in the construction industry, and 5 years of experience within the last 10 years in management positions as a Construction Manager.
- ii. The Bidder must submit a **maximum** of 2 reference projects for the proposed resource . Each reference project must:
 - 1. have achieved substantial completion after November 1, 2014;
 - 2. be for law enforcement, government or *institutional buildings;
 - 3. the building size must have been 450 square meters or greater; and
 - 4. have a minimum construction value of \$5,000,000.

Only the first 2 reference projects listed in sequence will receive consideration and any others will not receive consideration.

(b) Project Manager:

- i. The Project Manager must have a minimum of 10 years of experience within the last 15 years in the construction industry, and 5 years of experience within the last 10 years managing projects.
- ii. The Bidder must submit a **maximum** of 2 reference projects for the proposed resource. Each reference project must:
 - 1. have achieved substantial completion after November 1, 2014;
 - 2. be for law enforcement, government or *institutional buildings;
 - 3. the building size must have been 450 square meters or greater; and
 - 4. have a minimum construction value of \$5,000,000.

Only the first 2 reference projects listed in sequence will receive consideration and any others will not receive consideration.

(c) Cost Estimator:

- i. The Cost Estimator must have a minimum of 10 years of experience within the last 15 years in the construction industry, and 3 years of experience within the last 5 years producing construction estimates.
- ii. The Bidder must submit a **maximum** of 2 reference projects for the proposed resource. Each reference project must:
 - 1. have achieved substantial completion after November 1, 2014;
 - 2. be for law enforcement, government or *institutional buildings;
 - 3. the building size must have been 450 square meters or greater; and
 - 4. have a minimum construction value of \$5,000,000.

Only the first 2 reference projects listed in sequence will receive consideration and any others will not receive consideration.

(d) Scheduler:

- i. The Scheduler must have a minimum of 10 years of experience within the last 15 years in the construction industry, and 3 years of experience within the last 5 years developing and managing schedules using scheduling software such as CMP, PERT, MS Project, etc.
- ii. The Bidder must submit a **maximum** of 2 reference projects for the proposed resource. Each reference project must:
 - 1. have achieved substantial completion after November 1, 2014;
 - 2. be for law enforcement, government or *institutional buildings;
 - 3. the building size must have been 450 square meters or greater; and
 - 4. have a minimum construction value of \$5,000,000.

Only the first 2 reference projects listed in sequence will receive consideration and any others will not receive consideration.

(e) Site Superintendent:

- i. The Site Superintendent must have a minimum of 10 years of experience within the last 15 years in the construction industry, and 5 years of experience within the last 10 years as Site Superintendent.
- ii. The Bidder must submit a **maximum** of 2 reference projects for the proposed resource. Each reference project must:
 - 1. have achieved substantial completion after November 1, 2014;

2. be for law enforcement, government or *institutional buildings;
3. the building size must have been 450 square meters or greater; and
4. have a minimum construction value of \$5,000,000.

Only the first 2 reference projects listed in sequence will receive consideration and any others will not receive consideration.

(f) Site Safety Officer:

- i. The Site Safety Officer must have a minimum of 10 years of experience within the last 15 years in the construction industry, and 3 years of experience within the last 5 years as a Site Safety Officer.
- ii. The Bidder must submit a **maximum** of 2 reference projects for the proposed resource. Each reference project must:
 1. have achieved substantial completion after November 1, 2014;
 2. be for law enforcement, government or *institutional buildings;
 3. the building size must have been 450 square meters or greater; and
 4. have a minimum construction value of \$5,000,000.

Only the first 2 reference projects listed in sequence will receive consideration and any others will not receive consideration.
