### **Inquiries**

**The following is in response to inquiries received in relation to this solicitation. This amendment will form part of the contract documents.**

Number	Question(s)	Answer(s)
5	Do the four signed client reference forms count toward the maximum number of pages allowed (40)?	No, Appendix E - Client Reference Form will not be counted within the limit of the number of pages identified in Section 2.4 - Number of Pages. See document change no.1 below.
6	SRE 3.1.2 Licensing, Certification or Authorization mentions, <i>"Proponents must indicate current license(s) and, where the Proponent is not licensed in both required provinces, how the Proponent intends to meet the provincial licensing requirements of Ontario, Quebec, or both, as the case may be."</i> Where should we indicate this information in our proposal?	Canada suggest that all Mandatory Requirements of SRE 3.1 be identified in their own section. See document change no.1 below.
7	GI 10.1 <i>"Canada requires that each proposal, at closing date and time or upon request from the Contracting Authority, be signed by the Proponent or by an authorized representative of the Proponent."</i> Must we include proof, e.g. in the form of a board resolution, that the person signing has been authorized by the Proponent?	Yes, by providing a statement to Canada indicating the name of the individual who has been authorized to represent the proponent.
8	Are we allowed to include a front cover page? If so, will it count toward the maximum number of pages allowed (40)?	A cover page is permitted and will not be counted towards the page limit. Forty pages limit applies to Rated Requirements under SRE 3.2. Please see document change no.1 below for page count requirement.
9	May we use dividers in our proposal? If so, will they count toward the maximum number of pages allowed (40)?	Yes, dividers can be used and will not be counted towards the page limit. Forty pages limit applies to Rated Requirements under SRE 3.2. Please see document change no.1 below for page count requirement.
