This amendment is raised to address the following:

- To respond to questions received during the solicitation period; and
- To revise the solicitation accordingly, as applicable.

Q14) For RCMP detachments projects that meet the 'Achievement of Proponent on Projects' eligibility criteria yet there has been multiple Project Managers and knowledgeable RCMP staff who have retired or moved on and are now unavailable; therefore, there is no one remaining who can speak to our performance on those projects.

Can we simply name the RCMP Project Manager contacts with their phone at the time of the project with a note that they are now retired without being penalized or is there another reference alternative available to demonstrate our project design performance on RCMP projects?

R14) Yes, provide the RCMP Project Manager contact at the time of the project with a note that they are now retired or moved on.
