Amendment 1 Closed Circuit Video Equipment

This amendment was raised to answer questions and update the RFSO

Question:

1. Is it PWGSC's intent to award the RSO to a single successful bidder or will a ranked placement of the qualified bidders result from this RSO?
2. Do you have any information around the historical annual quantity of "emergency" service calls that, per spec, require a 4 hour response for the legacy Pelco Endura CCTV system at the base?
3. Does the base have an existing inventory of Pelco Endura parts for the legacy system?

Answer:

1. The intent is to award a single Regional Individual Standing Offer
2. Grn Petawawa annual estimated emergency call-ups is six (6).
3. No

Update the RFSO:

Change the following estimated usages:

Item #5 estimated usage is 6 each
Item #6 estimated usage is 6 each
Item #7 estimated usage is 40 hours
Item #8 estimated usage is 40 hours

All other terms and conditions of this Request For Standing Offer remain unchanged
