Amendment 004

This amendment 004 is issued to modify the answer given to question # 2 published in Amendment 001 as follows:

1. Questions and Answers:

Delete: **Question and Answer # 2 published in Amendment 001 and replace with:**

Q2. Item 3.8.1.b. of the subject solicitation states the vehicle must come equipped with a 5.08 cm (2 in) rear receiver hitch. Would you accept a 3.175 cm (1.25 in) rear receiver hitch?

A2. The client requires a 2 inch receiver hitch as a set dimension as this is the standard size on their fleet of vehicles. This enables them to exchange 2 inch ball hitch between vehicles and also adapt a winch with a 2 inch mount when required. However, the client will accept a 1.25 in to 2 in adapter with 2 pins which secures the adapter to the existing 1.25 in hitch receiver of the vehicle and for the ball hitch, as long that it meets to the minimum towing capacity requested.

All other terms and conditions remain the same.
