Title : Design and fabrication of new composite shelters, sheds and accessories

AMENDMENT 004

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

A Bidder's achievements

DELETE :

The Bidder must present reference letters to show that it has completed two (2) design or fabrication projects of composite material goods completed within the five (5) years prior to this bid closing date.

Each of the two (2) projects must meet the following criteria:

1. Design or fabrication project of composite material goods;
2. Project completed within the five (5) years prior to this bid closing date; and
3. Project of a minimum value to the award in manufacturing cost of 250,000.00 CAD, applicable taxes not included.

For each project, the Bidder must provide a reference letter signed by a client representative with the following elements:

- Confirmation that the project meets the three criteria listed above;
- Name of the company that completed the work;
- Project title;
- Location;
- Summary description of the project;
- Name, title, telephone number, email address and signature of the client representative;
- Client name, date;
- Initial contract value, applicable taxes excluded;
- Final contract value, applicable taxes excluded;
- Expected start and completion dates; and
- Actual start and completion dates.

The Bidder must have knowledge of the projects submitted. Previous project experience of entities other than the Bidder's own will not be considered during evaluation unless the entities are part of the Bidder's joint venture.

Please indicate those projects that were carried out as part of a joint venture and describe the responsibilities of each joint venture participant involved in each project.

We suggest that Bidders use the sample reference letters for the bidder's achievements provided in Annex D. However, it should be noted that using the sample letter is not mandatory.

INSERT :

The Bidder **or the Subcontractor** must present reference letters to show that it has completed two (2) design or fabrication projects of composite material goods completed within the five (5) years prior to this bid closing date.

Each of the two (2) projects must meet the following criteria:

1. Design or fabrication project of composite material goods;
2. Project completed within the five (5) years prior to this bid closing date; and
3. Project of a minimum value to the award in manufacturing cost of 250,000.00 CAD, applicable taxes not included.

For each project, the Bidder **or the Subcontractor** must provide a reference letter signed by a client representative with the following elements:

- Confirmation that the project meets the three criteria listed above;
- Name of the company that completed the work;
- Project title;
- Location;
- Summary description of the project;
- Name, title, telephone number, email address and signature of the client representative;
- Client name, date;
- Initial contract value, applicable taxes excluded;
- Final contract value, applicable taxes excluded;
- Expected start and completion dates; and
- Actual start and completion dates.

The Bidder **or the Subcontractor** must have knowledge of the projects submitted. Previous project experience of entities other than the Bidder's **or the Subcontractor's assigned to the project of this solicitation** will not be considered during evaluation unless the entities are part of the Bidder's joint venture.

Please indicate those projects that were carried out as part of a joint venture and describe the responsibilities of each joint venture participant involved in each project.

We suggest that Bidders or Subcontractors use the sample reference letters for the bidder's achievements provided in Annex D. However, it should be noted that using the sample letter is not mandatory.
