Amendment 011

This amendment 011 is raised provide questions and answers.

Question 1:

The question relates to Section 5.2.1 Integrity Provisions – Required Documentation.

We are not clear as to what exactly it needs to do with regards to this section. Based on the below which comes from the "Ineligibility and Suspension Policy", I thought all we need to do is to provide a listing of the members of our Canadian Management Board. However I am not sure.

- List of names: All suppliers, regardless of their status under the policy, must submit the following information when participating in a procurement processor real property transaction:
 - suppliers that are corporate entities, including those bidding as joint ventures, must provide a complete list of the names of all current directors or, for a privately owned corporation, the names of the owners of the corporation;
 - suppliers bidding as sole proprietors, including sole proprietors bidding as joint ventures, must provide a complete list of the names of all owners

Answer 1:

This questions is regarding Certifications Precedent to the Issuance of a Standing Offer and Additional Information.

Article 5.2.1 requires the Offerors to provide list of names as specified in the above bullet.

Question 2:

As per the rates for all Identified Users, please confirm

- 1) The weight break format for the ground freight domestic in the freight template is:

weight up to and including / limites de poids allant jusqu'à

45 kg 100 kg 200 kg 300 kg 500 kg 1000 kg 5000 kg over 5000 kg

- 2) The accessorial charges are per lb.

Answer 2:

- 1) The weight break format in the freight template is as indicated above.
- 2) As per the Accessorial Charge Table in ANNEX "B 1", Rate Format Instruction for All Identified Users, ancillary charges can be expressed either per lb, or a flat charge, not both.

All other terms and conditions remain unchanged.
