This Tender Amendment No. three (3) is raised to include the following Addendum No. three (3).

The following Addendum to the tender is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 3

Solicitation

Revised storage building location – see attached drawing and note regarding extension of electrical conduit and feed from electrical building

The proposed site grading plan for the upcoming Marshalling yard Improvement project (Drawing C4) was included in amendment 4. The design build contractor is to propose changes to the grading to ensure the building floor slab elevation is established producing a positive slope away from the building. The grading is to be adjusted at the overhead door locations for a smooth transition for forklift access.
