5.0 RIGHTS OF CANADA

5.1 Canada reserves the right to:

1. Accept any Proposal in whole or in part, without prior negotiation;
2. Reject any or all Proposals received in response to this RFP;
3. Cancel and/or re-issue this RFP at any time;
4. Ask the Bidder to substantiate any claim made in the Proposal;
5. Enter into negotiations with one or more Bidders on any or all aspects of their Proposals;
6. Award one or more Contracts;
7. Retain all Proposals submitted in response to this RFP.

6.0 SUBSTANTIATION OF PROFESSIONAL SERVICES RATES

6.1 In Canada's experience, bidders will from time to time propose prices at the time of bidding that they later refuse to honour, on the basis that these prices do not allow them to recover their own costs and/or make a profit. When evaluating the prices for professional services bid, Canada may, but will have no obligation to, require price support for any prices proposed. Examples of price support that Canada would consider satisfactory include:

1. documentation (such as billing records) that shows that the Bidder has recently provided and invoiced another customer (with whom the Bidder deals at arm's length) for services similar to the services that would be provided under a resulting contract, and the fees charged are equal to or less than the price offered to Canada (to protect the privacy of the customer, the Bidder may black out the customer's name and personal information on the invoice submitted to Canada);
2. a signed contract between the Bidder and an individual qualified (based on the qualifications described in this bid solicitation) to provide services under a resulting contract where the amount payable under that contract by the Bidder to the resource is equal to or less than the price bid;
3. a signed contract with a subcontractor who will perform the work under any resulting contract, which provides that the required services will be provided at a price that is equal to or less than the price bid; or
4. details regarding the salary paid to and benefits provided to the individuals employed by the Bidder to provide services, where the amount of compensation, when converted to a per diem or hourly rate (as applicable), is equal to or less than the rate bid for that resource category.

Once Canada requests substantiation of the prices bid, it is the sole responsibility of the Bidder to submit information (either the information described in the examples above, or other information that demonstrates that it will be able to recover its own costs based on the prices it has proposed) that will allow Canada to determine whether it can rely, with confidence, on the Bidder's ability to provide the required services at the prices bid, while, at a minimum, recovering its own costs. Where Canada determines that the information provided by the Bidder does not demonstrate the Bidder's ability to recover its own costs in providing the prices bid, Canada may, at their sole discretion declare the bid non-compliant.

7.0 MANDATORY CLAUSES

7.1 Where the words "**must**", "**shall**" or "**will**" appear in this RFP, the clause is to be considered as a mandatory requirement.

9.0 OFFICE OF THE PROCUREMENT OMBUDSMAN

If you have issues or concerns regarding the solicitation, you have the option of raising them with the department or with the Office of the Procurement Ombudsman (OPO). The Office of the Procurement Ombudsman was established by the Government of Canada to provide an independent avenue for suppliers to raise complaints regarding the award of contracts under \$25,000 for goods and under \$100,000 for services. You have the option of raising issues or concerns regarding the solicitation, or the award resulting from it, with the OPO by contacting them by telephone at 1-866-734-5169 or by e-mail at boa.opo@boa.opo.gc.ca. Maximum Budget: The firm all-inclusive cost of the resulting contract must not exceed **\$22,000.00 CAD excluding applicable taxes**. **Any bids exceeding this value will be deemed non-compliant and given no further consideration.**

6.0 CERTIFICATION REQUIREMENTS

In order to be awarded a contract, the certifications attached **in Appendix “E”** will be required. The certifications should be submitted with the proposal. Canada may declare a bid non-responsive if the certifications are not submitted or completed as required. Where Canada intends to reject a proposal pursuant to this paragraph, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time frame period will render the proposal non-responsive.

Compliance with the certifications the Bidder provides to Canada is subject to verification by Canada. - b) il a les qualifications nécessaires, y compris les connaissances, les compétences et l'expérience, et la capacité de les utiliser efficacement pour exécuter les travaux;
- c) il a le personnel et les ressources nécessaires pour exécuter les travaux.

4.2 Sauf pour les biens du gouvernement nommément prévus au marché d'acquisition, l'entrepreneur fournit tout ce qui est nécessaire à l'exécution des travaux, y compris les ressources, les installations, la

supervision, management, services, equipment, materials, drawings, technical data, technical assistance, engineering services, inspection and quality assurance procedures, and planning necessary to perform the Work.

4.3 The Contractor shall:

- (a) carry out the Work in a diligent and efficient manner;
- (b) apply as a minimum, such quality assurance tests, inspections and controls consistent with those in general usage in the trade and that are reasonably calculated to ensure the degree of quality required by the Contract; and
- (c) ensure that the Work:
 - (1) is of proper quality, material and workmanship;
 - (2) is in full conformity with the Statement of Work; and
 - (3) meets all other requirements of the Contract.

4.4 Notwithstanding acceptance of the Work or any part thereof, the Contractor warrants that the Work shall be of such quality as to clearly demonstrate that the Contractor has performed the Work in accordance with the undertaking in subsection 4.3.

GC5. Inspection and Acceptance

5.1 The Work will be subject to inspection by Canada. Should any part of the Work whether it be a report, document, good or service not be in accordance with the Contract or not be done to the satisfaction of the Canada, as submitted, Canada will have the right to reject it or require its correction at the sole expense of the Contractor before making payment.

5.2 The Contractor will be in default of the Contract if the Work is rejected by Canada or if he fails to correct the Work within a reasonable delay.

GC6. Amendments and Waivers

6.1 No design change, modification to the Work, or amendment to the Contract shall be binding unless it is incorporated into the Contract by written amendment or design change memorandum executed by the authorized representatives of Canada and of the Contractor.

6.2 While the Contractor may discuss any proposed changes or modifications to the scope of the Work with the representatives of Canada, Canada shall not be liable for the cost of any such change or modification until it has been incorporated into the Contract in accordance with subsection 6.1.

6.3 No waiver shall be valid, binding or affect the rights of the Parties unless it is made in writing by, in the case of a waiver by Canada, the Contracting Authority and, in the case of a waiver by the Contractor, the authorized representative of the Contractor.

6.4 The waiver by a Party of a breach of any term or condition of the Contract shall not prevent the enforcement of that term or condition by that Party in the case of a subsequent breach, and shall not be deemed or construed to be a waiver of any subsequent breach.

GC7. Time of the Essence

It is essential that the Work be performed within or at the time stated in the Contract.

GC8. Excusable delay

main-d'œuvre et la supervision, la gestion, les services, le matériel, les matériaux, les dessins, les données techniques, l'assistance technique, les services d'ingénierie, les procédures d'inspection et d'assurance de la qualité, et la planification nécessaire à l'exécution des travaux.

4.3 L'entrepreneur doit :

- a) exécuter les travaux de manière diligente et efficace;
- b) au minimum, appliquer les tests d'assurance de la qualité, les inspections et les contrôles compatibles avec ceux qui sont généralement utilisés dans l'industrie et dont l'objet est de donner l'assurance raisonnable du degré de qualité exigé en vertu du marché d'acquisition;
- c) veiller à ce que les travaux :
 - (1) soient de bonne qualité et soient exécutés avec des matériaux et une main d'œuvre de qualité;
 - (2) soient en tous points conformes à l'énoncé de travail;
 - (3) répondent à toutes les autres exigences du marché d'acquisition.

4.4 Nonobstant l'acceptation des travaux ou d'une partie des travaux, l'entrepreneur garantit que la qualité des travaux démontrera clairement qu'il les a exécutés conformément à l'engagement prévu au paragraphe 4.3.

CG5. Inspection et acceptation

5.1 Les travaux seront soumis à l'inspection du Canada. Le Canada a le droit de rejeter toute partie des travaux, qu'il s'agisse d'un rapport, d'un document, d'un bien ou d'un service qui, tel qu'il est soumis, n'est pas conforme aux exigences du marché d'acquisition ou n'est pas à la satisfaction du Canada, ou d'en exiger la modification aux frais de l'entrepreneur, avant d'effectuer un paiement.

5.2 L'entrepreneur est en défaut d'exécution du marché d'acquisition si les travaux sont rejetés par le Canada ou s'il ne les modifie pas dans un délai raisonnable.

CG6. Modifications et renoncations

6.1 Les modifications apportées à la conception, aux travaux ou au marché d'acquisition ne lient les parties que si elles sont intégrées au marché d'acquisition au moyen d'un document écrit à cet effet ou d'une modification technique portant la signature des représentants autorisés du Canada et de l'entrepreneur.

6.2 Bien que l'entrepreneur puisse discuter avec les représentants du Canada de modifications éventuelles à l'étendue des travaux, le Canada n'assume le coût de ces modifications que lorsqu'elles sont intégrées au marché d'acquisition conformément au paragraphe 6.1.

6.3 Une renonciation n'est valable, ne lie les parties et ne modifie leurs droits que si elle est faite par écrit par l'autorité contractante, dans le cas d'une renonciation du Canada, et par le représentant autorisé de l'entrepreneur, dans le cas d'une renonciation de l'entrepreneur.

6.4 La renonciation par une partie à exercer un recours pour inexécution de toute condition du marché d'acquisition n'empêche pas cette partie d'exiger l'exécution de cette condition lors d'une inexécution subséquente, et n'est pas réputée être une renonciation à exercer en recours pour une inexécution subséquente, ni interprétée comme telle.

CG7. Délais de rigueur

Il est essentiel que les travaux soient exécutés dans le délai ou au moment fixé dans le marché d'acquisition.

CG8. Retard excusable

8.1 Any delay by the Contractor in performing the Contractor's obligations under the Contract which occurs without any fault or neglect on the part of the Contractor its subcontractors, agents or employees or is caused by an event beyond the control of the Contractor, and which could not have been avoided by the Contractor without incurring unreasonable cost through the use of work-around plans including alternative sources or other means, constitutes an excusable delay.

8.2 The Contractor shall give notice to the Minister immediately after the occurrence of the event that causes the excusable delay. The notice shall state the cause and circumstances of the delay and indicate the portion of the Work affected by the delay. When requested to do so by the Minister, the Contractor shall deliver a description, in a form satisfactory to the Minister, of work-around plans including alternative sources and any other means that the Contractor will utilize to overcome the delay and endeavour to prevent any further delay. Upon approval in writing by the Minister of the work-around plans, the Contractor shall implement the work around plans and use all reasonable means to recover any time lost as a result of the excusable delay.

8.3 Unless the Contractor complies with the notice requirements set forth in the Contract, any delay that might have constituted an excusable delay shall be deemed not to be an excusable delay.

8.4 If an excusable delay has continued for thirty (30) days or more, Canada may, by giving notice in writing to the Contractor, terminate the Contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the excusable delay. The Contractor agrees to repay immediately to Canada the portion of any advance payment that is unliquidated at the date of the termination.

8.5 Unless Canada has caused the delay by failing to meet an obligation under the Contract, Canada will not be responsible for any cost incurred by the contractor or any subcontractors or agents as a result of an excusable delay.

8.6 If the Contract is terminated under this section, Canada may require the Contractor to deliver to Canada, in the manner and to the extent directed by Canada, any completed parts of the Work not delivered and accepted before the termination and anything that the Contractor has acquired or produced specifically to perform the Contract. Canada will pay the Contractor:

(a) the value, of all completed parts of the Work delivered to and accepted by Canada, based on the Contract price, including the proportionate part of the Contractor's profit or fee included in the Contract price; and

(b) the cost to the Contractor that Canada considers reasonable in respect of anything else delivered to and accepted by Canada.

8.7 The total amount paid by Canada under the Contract to the date of termination and any amounts payable under this subsection must not exceed the Contract price.

GC9. Termination of convenience

9.1 Notwithstanding anything in the Contract, the Minister may, by giving notice to the Contractor, terminate or suspend the Contract immediately with respect to all or any part or parts of the Work not completed.

9.2 All Work completed by the Contractor to the satisfaction of Canada before the giving of such notice shall be paid for by Canada in accordance with the provisions of the Contract and, for all Work not completed before the giving of such notice, Canada shall pay the Contractor's costs as determined under the provisions of the Contract in an amount representing a fair and reasonable fee in respect of such Work.

8.1 Tout retard de l'entrepreneur à s'acquitter de ses obligations en vertu du marché d'acquisition, qui survient en l'absence de toute faute ou négligence de la part de l'entrepreneur, de ses sous-traitants, de ses mandataires ou de ses employés, ou qui est causé par un événement indépendant de la volonté de l'entrepreneur, et que l'entrepreneur n'aurait pu empêcher sans assumer des frais exorbitants en recourant, par exemple, à des plans de redressement, incluant d'autres sources, ou à d'autres moyens, constitue un retard excusable.

8.2 L'entrepreneur doit informer le ministre dès que se produit un fait qui entraîne un retard excusable. Il doit préciser, dans son avis, la cause et les circonstances du retard et mentionner la partie du travail qui est touchée. À la demande du ministre, l'entrepreneur fournit une description, sous une forme jugée acceptable par le ministre, des plans de redressement, dans lesquels il mentionne d'autres sources et d'autres moyens qu'il pourrait utiliser pour rattraper le retard et s'efforcer d'en prévenir d'autres. Dès la réception de l'approbation écrite des plans de redressement par le ministre, l'entrepreneur doit mettre ces plans de redressement à exécution et prendre tous les moyens raisonnables pour rattraper le retard excusable.

8.3 Si l'entrepreneur ne respecte pas les conditions du marché d'acquisition ayant trait à cet avis, tout retard qui pourrait être excusable n'est pas considéré comme tel.

8.4 Après trente (30) jours ou plus de retard excusable, le Canada peut, par avis écrit à l'entrepreneur, résilier le marché d'acquisition. En l'occurrence, les parties conviennent de renoncer à toute réclamation pour dommages, coûts, profits anticipés ou autres pertes découlant de la résiliation ou de l'événement qui a contribué au retard excusable. L'entrepreneur convient de rembourser immédiatement au Canada la portion de toute avance non liquidée à la date de la résiliation.

8.5 Sauf si le retard excusable est dû au manquement du Canada de s'acquitter d'une obligation en vertu du marché d'acquisition, le Canada n'est pas responsable des coûts additionnels encourus par l'entrepreneur ou l'un de ses sous-traitants ou mandataires par la suite d'un retard excusable.

8.6 Si le marché d'acquisition est résilié en vertu du présent article, le Canada peut exiger que l'entrepreneur lui livre, selon les modalités et dans la mesure prescrites par le Canada, toutes les parties achevées des travaux qui n'ont pas été livrées ni acceptées avant la résiliation, de même que tout ce que l'entrepreneur a acquis ou produit expressément pour l'exécution du marché d'acquisition. Le Canada paie alors à l'entrepreneur :

a) la valeur, calculée en fonction du prix contractuel, y compris la quote-part du profit ou des honoraires de l'entrepreneur inclus dans le prix contractuel, de toutes les parties des travaux terminées qui sont livrées et acceptées par le Canada;

b) le coût de l'entrepreneur que le Canada juge raisonnable en ce qui concerne toute autre chose livrée au Canada et acceptée par le Canada.

8.7 Le montant total versé par le Canada en vertu du marché d'acquisition jusqu'à sa résiliation et tous les montants payables en vertu du présent paragraphe ne doivent pas dépasser le prix contractuel.

CG9. Résiliation pour raisons de commodité

9.1 Nonobstant toute autre disposition du marché d'acquisition, le ministre peut, en donnant un avis à l'entrepreneur, résilier ou suspendre le marché d'acquisition sans délai relativement à la totalité ou à toute partie des travaux non terminée.

9.2 Les travaux terminés par l'entrepreneur à la satisfaction du Canada avant l'envoi d'un tel avis sont payés par le Canada conformément aux dispositions du marché d'acquisition; pour les travaux non terminés au moment de la signification de cet avis, le Canada paie à l'entrepreneur les coûts, déterminés de la façon précisée dans le marché d'acquisition, au montant représentant une indemnité juste et raisonnable relativement à ces

travaux.

9.3 In addition to the amount which the Contractor shall be paid under section GC9.2, the Contractor shall be reimbursed for the Contractor's cost of and incidental to the cancellation of obligations incurred by the Contractor pursuant to such notice and obligations incurred by or to which the Contractor is subject with respect to the Work.

9.3 En plus du montant qui lui est payé en vertu de l'article CG9.2, l'entrepreneur a droit au remboursement des frais liés à la résiliation, consécutivement à cet avis, des engagements qu'il a pris et des frais connexes, ainsi que des engagements qu'il a pris ou des obligations qui lui incombent relativement aux travaux.

9.4 The Contractor shall have no claim for damages, compensation, loss of profit, allowance or otherwise by reason of or directly or indirectly arising out of any action taken or notice given by Canada under the provisions of section GC9 except as expressly provided therein.

9.4 L'entrepreneur ne peut réclamer de dommages-intérêts, d'indemnité, de perte de profits ou d'autre compensation pour aucune raison se rapportant directement ou indirectement à une mesure prise par le Canada ou à un avis donné par lui en vertu des dispositions de l'article CG9, sauf de la façon et dans la mesure qui y sont expressément indiquées.

9.5 Upon termination of the Contract under section GC9.1, Canada may require the Contractor to deliver and transfer title to Canada, in the manner and to the extent directed by Canada, any finished Work which has not been delivered prior to such termination and any material, goods or Work-in-progress which the Contractor specifically acquired or produced for the fulfilment of the Contract.

9.5 Au moment de la résiliation du marché d'acquisition en vertu de l'article CG9.1, le Canada peut exiger que l'entrepreneur lui remette, de la façon et dans la mesure qu'il précise, tout travail complété qui n'a pas été livré avant l'arrêt des travaux ainsi que les matériaux, les biens ou les travaux en cours que l'entrepreneur a acquis ou produits expressément pour l'exécution du marché d'acquisition.

GC10. Termination due to Default of Contractor

b) dans la mesure permise par la loi, si l'entrepreneur fait faillite ou devient insolvable, fait l'objet d'une ordonnance de séquestre, fait cession de ses biens au profit de ses créanciers, fait l'objet d'une ordonnance ou d'une résolution de liquidation, ou se prévaut de quelque loi concernant les débiteurs faillis ou insolvables; ou

10.2 Au moment de la résiliation du marché d'acquisition en vertu de l'article CG10, l'entrepreneur remet au Canada tout travail exécuté qui n'a pas été livré et accepté avant cette résiliation ainsi que les matériaux et les travaux en cours se rattachant spécifiquement au marché d'acquisition et tous les matériaux, textes et autres documents fournis à l'entrepreneur relativement au marché d'acquisition.

10.3 Subject to the deduction of any claim which Canada may have against the Contractor arising under the Contract or out of termination, payment will be made by Canada to the Contractor for the value of all finished Work delivered and accepted by Canada, such value to be determined in accordance with the rate(s) specified in the Contract, or, where no rate is specified, on a proportional basis.

10.3 Sous réserve de la déduction de toute réclamation que le Canada peut avoir envers l'entrepreneur aux termes du marché d'acquisition ou par la suite, le Canada versera à l'entrepreneur un paiement pour la valeur des travaux complétés, livrés et acceptés par le Canada, ladite valeur devant être établie conformément aux dispositions tarifaires du marché d'acquisition ou, s'il n'est pas précisé de tarif, selon une base proportionnelle.

10.4 If the contract is terminated pursuant to GC 10.1 (c), in addition to any other remedies that may be available against the Contractor, the Contractor will immediately return any advance payments.

10.4 Si le marché d'acquisition est résilié en vertu du paragraphe 10.1 (c), en plus des autres recours qui peuvent être exercés contre lui, l'entrepreneur doit immédiatement rembourser tout paiement anticipé.

GC11. Suspension of Work

11.1 Le ministre peut à tout moment, par avis écrit, ordonner à l'entrepreneur de suspendre ou d'arrêter les travaux ou une partie des travaux prévus au marché d'acquisition. L'entrepreneur doit se conformer sans délai à l'ordre de suspension, de manière à minimiser les frais liés à la suspension.

Si une vérification a lieu après le paiement, l'entrepreneur convient de rembourser immédiatement tout paiement en trop sur demande du Canada. Le Canada peut retenir ou déduire tout crédit dû en vertu du présent article et impayé, et le porter en compensation de toute somme que le Canada doit à l'entrepreneur à tout moment (y compris en vertu d'autres marchés d'acquisitions). GC19. Assignment

19.1 The Contract shall not be assigned in whole or in part by the Contractor without the prior written consent of Canada and an assignment made without that consent is void and of no effect.

APPENDIX “D”
EVALUATION PROCEDURES & CRITERIA

TECHNICAL PROPOSAL

It is essential that the elements contained in the Proposal be stated in a clear manner and in sufficient depth to allow for evaluation by the evaluation team.

1.0 METHOD OF SELECTION – HIGHEST COMBINED SCORE OF TECHNICAL MERIT AND PRICE

- 1.1 The evaluation process is designed to identify the most qualified contractor to provide services as stipulated in the Statement of Work (Appendix B).
- 1.2 This section comprises the detailed Proposal requirements that will be used to evaluate Bidders’ responses to the RFP.
- 1.3 The mandatory requirements under section 2.0 will be evaluated on a compliant/non-compliant basis. The Proposals must include the necessary documentation to demonstrate this compliance.
- 1.4 The selection of the responsive Proposal will be made on the basis of the **HIGHEST COMBINED SCORE** for both the technical and financial proposals. The combined scores will be determined by adding the technical and financial points obtained.

The Bidders’ Technical and Financial proposals will be scored separately. An Overall Proposal Score will be determined by combining a Bidder’s Technical Proposal Score and Financial Proposal Score in accordance with the following weights:

Technical Proposal = 75%
 Financial Proposal = 25%
 Overall Proposal = 100%

Formula:

$$\frac{\text{Technical Score} \times \text{Ratio (75)}}{\text{Max Points}} + \frac{\text{Lowest Price} \times \text{Ratio (25)}}{\text{Bidder's Price}} = \text{Overall Score}$$

(Example of formula)

Highest Combined Rating Technical Merit (60%) and Price (40%)			
Calculation	Technical Points	Price Points	Total Points
Proposal 1 - Tech = 88/100 - Price = \$60,000	$\frac{88 \times 70}{100} = 66$	$\frac{*50 \times 25}{60} = 20.83$	= 86.83

Proposal 2 - Tech = 86/100 - Price - \$55,000	$\frac{86 \times 75}{100} = 64.5$	$\frac{*50 \times 25}{55} = 22.73$	$= 87.23$
Proposal 3 - Tech = 76/100 - Price = \$50,000	$\frac{76 \times 75}{100} = 57$	$\frac{*50 \times 25}{50} = 25$	$= 82$
<i>* Represents the lowest priced proposal Bidder 2 is successful with the highest combined rating of 87.23</i>			

1.5 **To be considered Responsive, a Proposal Must:**

1. Meet the mandatory requirements specified in section 2.0 below;
2. Achieve the minimum number of points (70%) identified **in the overall** rated criteria.

1.6 The price of the Proposal will be evaluated in CANADIAN DOLLARS, Applicable Taxes excluded, FOB destination for goods/services, Customs Duties and Excise Taxes included.

1.7 Failure of a Proposal to provide information in sufficient detail and depth to permit evaluation against the identified criteria may render a Proposal non-responsive. **All Proposers are advised that only listing experience without providing any supporting data to describe where and how such experience was obtained will not be considered to be “demonstrated” for the purpose of the evaluation. All professional experience must be fully demonstrated in the Proposal (i.e., dates, number of years and months of experience).**

The Proposer must address the rated requirements in the order in which they are listed and in sufficient detail so that an in-depth evaluation is possible. These criteria will be used by Agriculture and Agri-Food Canada to evaluate each Proposal. The assessment by AAFC will be based solely on the information contained in the Proposal. An item not addressed will be given zero (0) points under the point rated system. AAFC may, but is not obligated to, ask the Proposer for clarifications.

1.8 The Bidders acknowledge and agree that Canada is not responsible to search for, and therefore evaluate, information that is not properly referenced or is not otherwise provided in accordance with the Proposal Preparation Instructions in Part 2, Article 3.0.

1.9 Bidders shall not place any conditions or make any assumptions that attempt to limit or otherwise modify the scope of Work pursuant to the Statement of Work (Appendix B).

1.10 In the event two or more responsive proposals receive the same combined overall score, the proposal with the highest technical score will be ranked higher.

1.11 Specific Bidder Instructions:

1. Cutting and pasting wording from the RFP into the project description template does not constitute demonstrating the requirement. This must be demonstrated by specific examples of work performed by the Bidder.
2. AAFC reserves the right to verify any information provided by the Bidder in response to the mandatory and point-rated requirements. This will be done by contacting the reference contact, using the contact information provided by the Bidder, and providing the reference with a copy of the information submitted by the Bidder (applicable to that specific client only) for independent verification. If verification is required for a project for which AAFC does not have the contact information, the Bidder will be requested to provide this information.
