SOLICITATION AMENDMENT 001 IS RAISED TO (1) ANSWER THE FOLLOWING QUESTION AND (2) MODIFY THE CLOSING DATE:

(1)

Question 1:

“In reference to 2.1.4.1 from the solicitation: Quote - A detailed quote including all items necessary to meet the specification requirements for a 5G New Radio (NR) Frequency Range Extension System (FR2) valid until March 31st, 2022 must be included with the request.

Would you accept a quote valid for 90 days?”

Answer 1:

“To ensure overall price competitiveness of the bidding process, ISED would expect that the bidder takes into account any applicable variables (including but not limited to: historical cost trends for test equipment, inflation, exchange rates, etc.) when quoting for such an extended amount of time. A quote that expires in 90 days would not allow ISED to perform a competitive price determination considering that the price could potentially fluctuate once the initial 90 day period has elapsed.”
