This amendment 003 is to answer questions from offerors, to insert the presentations from the offerors conference and to add the site map for MONTREAL.

Question 1 :

Table A Percentage Offer, line Total Evaluated Price: do we need to enter something on this line, if yes what? Do we have to add the 2 percentages? Or do we have to average?

Answer 1:

You have to enter the sum of all percentage offers for all the trades listed in the table.

Question 2:

Will there be a site visit?

Answer 2:

There was a visit planned, but it had to be cancelled as no PSPC representatives was available. However, the site is accessible to the public and you may visit yourself.

A future visit is not guaranteed, all the information will be posted on buyandsell.gc.ca

Question 3:

Was the visit to see the condition of the houses?

Answer 3:

Yes, but our Montreal site is well maintained.

Question 4:

Is the address posted 105 Salaberry, Saint-Hubert, QC?

Answer 4:

This is the CFHA office.

Question 5:

Are the other buildings on the same street?

Answer 5:

Yes, all the houses are around 105 Salaberry, Saint-Hubert, QC except the luxury condos nearby

Question 6:

I do not understand the SUR price list, where are the prices? I only see dates.

Answer 6:

You are not looking at the right document. This is the SUR Historical Usage. The Schedule of Unit Rates prices are in the Appendix 5 Schedule of Unit Rates.

Question 7:

When you say a contractor will have 100% and the second one will be at 0% what do you mean? Will the second one hired for 5 years to be on call?

Answer 7:

The second SO Holder with 0% work allocation may be contacted for work during the SO period (2 years, and 2 optional years if accepted). If you are the offeror with the second offer, you have 30 days to decide to accept the SO and be on the standby.

Question 8:

Looking at the 'Slides' we may have other questions, what do we write to Mr. Dallaire directly?

Answer 8:

You can write to Amanda Assi, the Standing Offer authority. The questions and answers will be posted on buyandsell.gc.ca without specifying where the questions came from.

Question 9:

Working hours are from 8h to 17h? Is overtime paid time and a half? According to the law?

Answer 9:

The applicability of the overtime rate will depend on the call up priority. Please refer to the RFSO para 8.6.6 Payment for After Hours Work and Priority 1 for details. The after-hours hourly rates will be calculated at 1.5 times the regular hourly rate indicated on the Offer Form.

Question 10:
