AMENDMENT 003

This amendment to the solicitation is raised to answer bidder questions and to amend the solicitation document.

Canada does not intend to grant extensions for the bid solicitation period.

BIDDER QUESTIONS

Q26: Would the crown consider extending the deadline for this RFP to January 21st due to the Holiday Season and a lot of candidates not being available at this time, as well as due to delay in releasing the first Q & A and the information released that changes some altering factors.

A26: See answer to Q17, amendment 002.

Q27: Regarding Corporate Mandatory M2: For TBIPS categories that are not listed in the RFP's SOW (i.e. A.7 Programmer/Analyst, B.5 Business Process Reengineering Consultant, etc.), are Bidders to use the generic TBIPS category to demonstrate that the category or categories proposed align to at least 50% of the tasks?

A27: Billable days in any of the specified TBIPS categories will be accepted during the evaluation of M2 and R1. If a bidder wishes to propose a resource from any other contract category they will need to demonstrate that at least 50% of the tasks in that category are similar to those in this RFP's SOW

Q28: Given the holiday period and the difficulty it presents with office closures and vacations, we respectfully request a 2 week extension to the current closing date of January 7, 2020.

A28: See answer to Q17, amendment 002.

Q29: Could DND confirm that they will accept experience in the application of provincial web standards or Web Content Accessibility Guidelines (WCAG) web standards for Rated criteria RC1 in addition to MC2, as they both refer to experience with web standards?

A29: Only experience applying Government of Canada web standards will be accepted for RC1. Experience applying Government of Canada, provincial and WCAG web standards will be accepted for MC2.

Q30: Given that we have not received answers to questions that will have a significant impact on our ability to respond to this bid, and as there is a limited amount of business days left before the bid closing date, we respectfully request a two-week extension to January 21, 2020.

A30: See answer to Q17, amendment 002.

Q31: Due to the work involved in putting together a response to this RFP, and the fact that the winter holidays fall during the bid solicitation period, would Canada be willing to grant a 3 week extension to the closing date?

A31: See answer to Q17, amendment 002.
