4.2.26. Where appropriate, departments must:

4.2.26.1 include accessibility criteria when specifying requirements for goods and services

4.2.26.2 ensure that deliverables incorporate accessibility features.

4.2.27. Consistent with trade agreements and comprehensive land claims agreements, if the department determines that it is not appropriate to include accessibility criteria as part of commodity specifications, or if it is unable to obtain goods or services that comply, the client or technical authority must ensure that clear justification is on file.”
