This amendment 001 is being raised to address a question from industry for solicitation 5P423-190422/A:

Question and Answer

Question: For this tender, will Parks Canada accept seasoned Tamarack?

Response: No, seasoned Tamarack will not be accepted. The reason we are particular about our wood supply is that wood can carry and spread diseases and pests. The Eastern Larch Beetle is a member of the same genus as the Pine Beetle, but targets tamarack. It can be transported under the bark of recently killed trees, just like the Pine Beetle.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME AND ARE IN FULL EFFECT
