Question

Question 1:

I had a question about the request for standing offer in terms of the flooring. It doesn't look like there is any pricing grid for supplying pricing based on the different material types. Are you looking for just an hourly rate to cover all flooring types, meaning the same hourly rate would apply to carpet and ceramic?

Answer 1:

The scope of work in each call up will be identified through the Schedule of Unit Rates as listed in Appendix 5 SUR Code Deselection of the Statement of Work and supported by Appendix 6 Schedule of Unit Rates Specification and the Statement of Work.

The base prices of the Schedule of Unit Rates related to flooring are listed under the Resilient Tile, Sheet Flooring and Carpet (VC) trade. In the Financial Offer, the Offerors shall determine a percentage offer (change) to apply to the Schedule of Unit Rates base prices specified in Appendix 5.

For the applicability of hourly rates, please refer to Annex A Statement of Work, clause 3.1.5 and RFSO clause 8.6.5.3 "Unforeseen items of work arising during the term of the SO which are not in the Schedule of Unit Rates shall be done by hourly rates plus the applicable laid-down cost of Materials with a 10% mark-up (applied to the Material only)."
