

Attachment 1

**Questions to Industry**

**Question 1**

Canadian Content: Please state if you are a Canadian manufacturer that can meet the requirements of this product.

**Question 2**

What is the standard warranty for your company's "Multi-Cal" Rifle, including, if any, Ancillary equipment?

**Question 3**

Would you please describe your capability to provide warranty repair services in Canada and internationally?

**Question 4**

Is your company able to navigate CTAT & ITAR policies that could impact the delivery of the Multi-Cal Rifle to the Canadian Forces?

For example: is there any problem obtaining a License (DSP83, or others required) and achieving State Approvals to sell/ship the Multi-Cal Rifle, including Licensing for Spare Parts, to Canada?

**Question 5**

Is your company registered, exempt or excluded under the Controlled Goods Program (CGP)?

Please make a selection: Yes / No

**Question 6**

Please provide an estimated price range (FOB) for your product that responds to GOC requirement, in Canadian Dollars. Do you foresee any issues in maintaining your prices should the bid validity period be 180 days?

**Question 7**

Is our desired delivery date, identified in this RFI, for all Firm and Option QTYs, realistic for your company?

**Question 8**

Do you have any concerns meeting SOW requirement 5.2 Identification and Markings?

**Question 9**

Do you have any concerns meeting SOW requirement 5.3 Packaging and Labeling?

**Question 10**

Do you have any concerns meeting SOW requirement 5.4 TDP?

**Question 11**

Do you have any concerns meeting the requirements for DIDs (Appendix 2 to Annex B) in general?

**Question 12**

Do you have any concerns delivering the Test Reports requested in the Compliance Matrix in Appendix 1 to Annex D?

**Question 13**

Do you have any concerns meeting Requirement 3.4.2 in Annex C for the Comprehensive Cleaning and Maintenance Kit?

**Question 14**

How much time would you need to prepare a complete Bid Package as described in the documentation provided and deliver the Pre-Production Samples (PPS) requested by Canada?

**Question 15**

Please state your experience in delivering the product(s), ie. years in business manufacturing/assembling/fabricating/servicing such products, major customers, etc.

**Question 16**

Is the product you are offering meet the requirements in Attachment 2: Annex C and is currently in production?

Is the product you are offering meet the requirements in Attachment 2: Annex C and is currently being used by an American, British, Canadian or Australian (ABCA) military organization, North Atlantic Treaty Organization (NATO) or a North American (Canada or United States) civilian police agency? If yes, please identify which countries and/or agencies.
