## AMENDMENT 002

The purpose of this amendment is to make changes to the Request for Proposal document to include provisions related to the Inuit Benefit Plan (IBP).

-----

### **DELETE:**

#### **4.1.2 Financial Evaluation**

Total financial evaluation: Sum of total prices of items A + B + C + D + E + F + G + H + J + K mentioned in Annex "B" – Basis of Payment.

#### **Evaluation of Price-Bid:**

1. Bidders must submit firm prices, customs duties and excise taxes included, and Applicable Taxes excluded.
2. Unless the bid solicitation specifically requires bids to be submitted in Canadian currency, bids submitted in foreign currency will be converted to Canadian currency for evaluation purposes. The rate given by the Bank of Canada in effect on the bid solicitation closing date, or on another date specified in the bid solicitation, will be applied as a conversion factor to the bids submitted in foreign currency.
3. Bidders must provide prices Delivered Duty Paid (DDP) to Montreal, Quebec Incoterms 2010 for shipments from a commercial contractor. Bids will be assessed on an DDP basis.

### **INSERT:**

#### **4.1.1.2 Desirable Technical Criteria to demonstrate precedent to Contract Award**

##### **Inuit Benefit Plan (IBP)**

Bidders meeting at least one of the following criteria will be offered a preferential margin for financial evaluation purposes only:

- (a) the existence of head offices, administrative offices or other facilities in the Nunavut Settlement Area;
- (b) the employment of Inuit labour, engagement of Inuit professional services, or use of suppliers that are Inuit or Inuit firms in carrying out the contracts; or

The proof of this desirable certification will be requested by the contractual authority and will have to be provided in compliance with section 5.2.3 below.

The section 4.1.2 entitled "Financial Evaluation" details how this preferential margin will be determined.

#### 4.1.2 Financial Evaluation

Bidders must fill out the Annex B "Basis of Payment" of the present document.

The total evaluated price of the bid will be determined as follows:

[Total price of the items (Items A + B + C + D + E + F + G + H + J + K) as indicated in Annex B  
"Basis of Payment"]  
– [Preferential Margin, if applicable]  
= Total evaluated price

##### 4.1.2.2 Preferential Margin

A 10% preferential margin will be offered for financial evaluation purposes only on the total price (Items A + B + C + D + E + F + G + H + J + K) proposed for bidders meeting at least one criteria of the IBP stated in 4.1.1.2.

If no criteria of the IBP is met, the total price as indicated in the Annex B "Basis of Payment" will be evaluated, without a preferential margin. The price of the contract will not include this preferential margin.

As such, the total evaluated price and the price of the contract might be different.

#### 5.2.3 Inuit Benefits Plan (IBP)

##### Nunavut Agreement

In this requirement, it is not mandatory for Bidders to include the Inuit Benefit Plan (IBP) as part of their proposal. This procurement is subject to the Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada.

Bidders are requested to maximize Inuit employment, subcontracting and on-the-job training opportunities, and involve Inuit businesses, in carrying out the work under this project.

The Nunavut Agreement contains a provision requiring the inclusion of socio-economic bid criteria in the solicitation document, when practicable and consistent with sound procurement management principles. These socio-economic bid criteria are often referred to as Inuit Benefits Criteria, and bidders propose Inuit benefits in their bid submission via an Inuit Benefits Plan.

The provisions that apply to this procurement are contained in Part 6 - Bid Criteria of Article 24 - Government Contracts of the Nunavut Agreement. <http://nlca.tunnngavik.com/>

24.6.1 Whenever practicable, and consistent with sound procurement management, and subject to Canada's international obligations, all of the following criteria, or as many as may be appropriate with respect to any particular contract, shall be included in the bid criteria established by the Government of Canada for the awarding of its government contracts in the Nunavut Settlement Area:

- a) the existence of head offices, administrative offices or other facilities in the Nunavut Settlement Area;
- b) the employment of Inuit labour, engagement of Inuit professional services, or use of suppliers that are Inuit or Inuit firms in carrying out the contracts; or
- c) the undertaking of commitments, under the contract, with respect to on-the-job training or skills development for Inuit.
