Amendment 001

Amendment 001 is being raised to answer the following question:

~~~~~

**Q1: Should the contractor pick up the trucks from DND site and deliver them back to their site again after installation?**

A1: As long as the vendor is within a reasonable distance of HRM (150 km radius of Halifax) we will deliver the vehicle to the vendor for install and upon pick up a quick visual inspection at the vendor, but the vehicle will have to go to TEME Q&A for a more detailed inspection. TEME has the final inspection as it is mounted on a DND vehicle

**Q2: A question was brought up about the need for full length side doors on a Walk in cap Diablo sitting on the new F250 Crew cab trucks. These trucks are extremely tall and the access from side doors very limited unless the user is well above average height**

A2: Yes, the side doors are a requirement. .

All other terms and conditions remain the same.
