2- Attachment 1 to part 4 – Technical Criteria

In the Mandatory Technical Criteria: **MT1 and MT2**

3- QUESTIONS

Q1- I was wondering that can I beat the action for only painting by W3723-21SD04/A (Suffield Medicine Hat) solicitation number.

A1 The bid has to be for all the trades listed in the requirement as detailed in Annex A Statement of Work. If a bid is not submitted for all the trades listed, it will be non-responsive.

Q-2 Can I please ask for information how our corporation can obtain a Procurement Business Number (PBN)?

A2- Please refer to the link on how to obtain a PBN: <https://srisupplier.contractsCanada.gc.ca/index-eng.cfm?af=ZnVzZWJdGlVbj1yZWdpc3Rlci5pbmRybyZpZD03#toc2>

Or call the InfoLine at 1-800-811-1148.

Q-3 Are you aware of a federal government procurement services office that offers solicitation and procurement support that can assist small to medium sized Canadian companies wishing to work with the Government of Canada?

A3- Please refer to the link on Seminars on doing business with the Government of Canada: <https://buyandsell.gc.ca/for-businesses/seminars-and-events>

Q-4 What references/criteria/sources were used to determine the Base Price/Unit Rate for each SOR Code?

A-4 Each SUR code is assigned an average national baseline cost. Costs are updated with each new round of Standing Offers based on research of industry costs and an analysis of historical national award values.

Q-5 The document title indicates the information was gathered for CFB Suffield activities however Item A indicates that the data is related to activities tracked at CFB Bagotville. Please advise and/or please supply the historical data for CFB Suffield.

A5- It is a typing error. We confirm that the report is on the SUR usage at HSC Suffield.

Q6- Please confirm where the Watercraft Exclusion clause can be found.

Please confirm this clause needs to be part of the insurance requirements for Solicitation #W3723-21SD04/A.

A6- This is part of the General Commercial insurance and needs to be part of insurance requirement.

Q-7 The SUR Report Trade Code Legend does not marry up with each Trade Code in Table A or as listed in Appendix 6.1 through 6.13

A-7 APPENDICES – APPENDIX 5, “SUR report HSC XXX ” shows the historical usage of codes. The codes are reviewed every 4 years, which results in codes being removed/deleted/updated. The “SUR Code Deselection-2020 HSC XXX – All trades except PL.PDF” shows the current list of updated codes that are applicable for the Standing Offer
