Solicitation Amendment No. 04

This solicitation is also hereby amended to provide the following questions and answers:

Q1. Also, in Annex B, there is a section that asks for “Supplier’s Cross Reference to Technical Offer (indicate page #)”. The RFP also indicates to bidders to write beside the mandatory criteria the relevant page numbers from the proposal which address the issue. Can you please clarify what exactly Public Works is looking for when it comes to the technical offer? Are we to reference our product brochure in those sections or are we to reference our quote?

A1. We are asking that you reference the information that will prove that you can meet the technical requirements.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
