Amendment 001 is raised to:

- 1. Answer the following question; and**
- 2. Add section 4.1.1 Contractor's Work Locations in Annex A – Statement of Work.**

1. Question and Answer:

Question 1: My firm is putting together a bid for Stream 2 of the RCAF AWC RFP for Concept Development # W8485-195040/A.

Is it possible to qualify for the delivery of the services communicated in stream 2 from our facilities in Ottawa? Our facility meets all the security requirements laid out in the RFP. Besides the wargaming facilitation- which would occur at RCAF AWC- it seems possible for us to bid the concept development, research etc. for our own facilities and deliver all projects, and schedule regular progress meetings in Trenton to ensure the delivery of the contract?

We wish to ensure that we do not disqualify our own bid by misinterpreting the RFP.

Answer 1: Yes they can deliver the services communicated in stream 2 from their facilities in Ottawa as described in their query.
