Questions and Answers

Solicitation Amendment No. 002 is issued to provide Questions and Answers pertaining to this project.

Q1 - Due to weather events and wave action can the completion be changed to working days from 6 weeks?

A1. No. Refer to Attachment EBSU000, Page 9 Paragraph BA06. Weather events and wave action only apply to the portion of the work in the channel and pier head that is exposed to the lake. The majority of the excavation is being completed on the adjacent beach. Your schedule should account for bad weather days.

Q2 - Are there any fisheries window issues?

A2. Fisheries timing windows can be mitigated for this project.

Q3 - Are there any ERCA Permits required?

A3. DFO has been in contact with ERCA, and will be responsible for obtaining the necessary environmental approvals for the project.
