

**EN578-201168
ATTACHMENT 1 TO PART 3
TECHNICAL OFFER**

Mandatory Technical Criteria

MT1 – Experience of Firm

The Offeror must demonstrate its experience in sufficient depth by providing a minimum of two projects in providing courier and/or freight service as described in the Annex “A”, Statement of Work. Simply repeating the statement contained in the bid solicitation is not sufficient.

The projects must include the following supporting information as a minimum.

- 1) description of project details,
- 2) period of project,
- 3) client organization name, and
- 4) client contact name and phone number.
