

RFP AMENDMENT #2

There is an error in the original Appendix D Attachment 3 – Financial Proposal Form

*For Pesticide Application Cost per Application should be **MULTIPLIED** by the Number of Applications (in the original form it uses the addition function)*

*For Pest Incidence Rating (efficacy only) Cost per Rating should be **MULTIPLIED** by the Number of Ratings (in the original form it uses the addition function)*

For Financial submissions-- Please refer to the AMENDMENT #2 Appendix D Attachment 3 – Financial Proposal Form
