

Solicitation 5000049332

Amendment #1 English

This amendment has been issued to answer questions received in regards to Bid Solicitation # 5000493332.

Q1. Please identify where table 1.3 is located. The BOP only includes two tables (1.1 and 1.2) currently.

A1. 1.3 has been removed, please delete

Delete:

Contractor must complete tables 1.1, 1.2 and 1.3. Provide pricing rates for labor and additional work. Unit prices for labor are inclusive of the cost for shipment of tools and personal protective equipment to and from site. Tax not included

Insert:

Contractor must complete tables 1.1 and 1.2 Provide pricing rates for labor and additional work. Unit prices for labor are inclusive of the cost for shipment of tools and personal protective equipment to and from site. Tax not included

Q2. Please confirm that the charter flight referenced in Para 1.1 is from Yellowknife to Eureka. See also Annex B BOP .

A2. ECCC will provide a charter flight from Yellowknife, Northwest Territories to Eureka, Nunavut

Q3. Please confirm that it is the bidder's responsibility to provide transportation for the technicians from their home base to Yellowknife

A3. That is correct. ECCC does not provide transportation from contractor's home-base to Yellowknife.

Q.4 Please provide a list of tools, equipment and PPE available on site

Contractor must provide his own tools, equipment and Personal Protective Equipment required to carry-out the work. Occasionally, items from the on-site inventory may be borrowed or used but the contractor must plan as if no equipment was available. Also, please note that the cost to ship materials and/or supplies (excluding contractor's tools and personal protective equipment) is FOB destination, freight prepaid and charged back as a separate item on the invoice and supported by a copy of the freight companies invoice.
