**THIS AMENDMENT IS RAISED TO AMEND THE CLOSING DATE AND TO
RESPOND TO BIDDERS' QUESTIONS**

Reference: *Volumes 2 and 3 – Annex D, Industrial and Technological Benefits, Terms and Conditions,*

Q12 We would like to request the templates for the ITB transaction sheets specific to this project.

A12 The ITB transaction sheets (Appendix B) were provided to this Bidder.

Bidders are requested to address all enquires to the Contracting Authority (CA) if they would also like copies of transaction sheets. Bidders must not contact Innovation, Science and Economic Development Canada, responsible for the Industrial and Technological Benefits portion of the Request for Proposal. All requests must come through the CA.

Q13a The RFP calls for a number of plans to be delivered with the bid that are normally provided post award at the Kickoff meeting or later. The work to prepare these documents is significant, and to submit them by the scheduled closing date is challenging. It would appreciated it if you would provide a three week extension to the closing date to accommodate this work.

Q13b Would it be possible to extend until April 10th?

A13 Quality deliverables are a high priority for the project. Providing bidders with additional time to achieve a high standard aligns with this priority. As such, Canada supports this request and has amended the solicitation closing date to 31 March 2020.
