## SOLICITATION AMENDMENT 002

This solicitation amendment is raised to:

- provide answers to Bidders questions in relation to this solicitation (Q&A Round #2);
- extend the bid solicitation period from February 13<sup>th</sup>, 2020 to February 20<sup>th</sup>, 2020; and
- revise the point-rated technical evaluation criteria to address questions from the industry.

### 1. Answers to bidders questions (Q&A Round #2)

#### Question #9:

Given the high volume of Government Request for Proposals currently in circulation, would the Crown please consider a two-week extension of the solicitation closing date (to February 27, 2020) be granted to all bidders?

#### Answer #9:

The bid solicitation period is being extended to February 20<sup>th</sup>, 2020. Please refer to section 2. below.

#### Question #10:

Reference: Attachment 4.2 Point-Rated Technical Criteria: BTR1, BTR6, EAR1, EAR2, EAR3

Each of the aforementioned rated requirements are being scored based on the number of projects and not number of years. Would the Crown please consider revising these requirements to read similarly to that of **BAR4**: *"The proposed resource should have experience working on C2IS Project(s) as part of an international collaboration. **Points Scale:** < 1 year = 0 pts; > 1 to 2 years = 4 pts; > 2 to 3 years = 6 pts; > 3 years = 10 pts"*? We have several resources that have worked on long-term DND contracts, which would limit the number of points they can gain due to the project based scoring, and not year based scoring. Please consider revising the requirements as follows:

**BTR1:** The proposed resource should have demonstrated experience working as a Business Transformation Architect, on C2IS projects, in a government or private sector environment, within the last ten (10) years. Each referenced project must have a minimum duration of twelve (12) months. Each project reference, the proposed resource must have worked a minimum of six (6) consecutive months.

**Points Scale:** < 1 year = 0 pts;  
> 1 to 2 years = 4 pts;  
> 2 to 3 years = 6 pts;  
> 3 years = 10 pts

**BTR6:** The proposed resource should have experience developing Treasury Board project approval documentation for IM/IT project(s) including all of the following: Treasury Board Business Case Analysis Strategic Context document; Project Charter; and Project Complexity and Risk Assessment document.

**Points Scale:** < 1 year = 0 pts;  
> 1 to 2 years = 2 pts;  
> 2 to 3 years = 5 pts

<b>Solicitation No. – N° de l'invitation</b> W6369-19CY05/A	<b>Amd. No – N° de la modif.</b> 002	<b>Buyer ID – Id de l'acheteur</b> 001IPS
<b>Client Ref. No. – N° de réf. De client</b> W6369-19CY05	<b>File No. – N° du dossier</b> 001IPS. W6369-19CY05	<b>CCC No./ N° CCC – FMS No/ N° VME</b>

**EAR1:** The proposed resource should have demonstrated experience working as an Enterprise Architect on DND/CAF C2IS projects within the last ten (10) years, with demonstrated work experience in this context meaning at least six consecutive months per individual project.

**Points Scale:** < 1 year = 0 pts;  
>1 to 2 years = 4 pts;  
> 2 to 3 years = 6 pts;  
> 3 years = 10 pts

**EAR2:** The proposed resource should have demonstrated experience formally documenting at least three architectural views from the following for As-Is and/or To-Be enterprise architectures within project confines: As-Is Architectures (OV-1, SV-1, SV-6); and To-Be architectures (CV-2, OV-1, OV-2, OV-3, SV-1).

**Points Scale:** < 1 year = 0 pts;  
>1 to 2 years = 4 pts;  
> 2 to 3 years = 6 pts;  
> 3 years = 10 pts

**EAR3:** The proposed resource should have experience analyzing interoperability functions and identifying concerns within project confines.

**Points Scale:** < 1 year = 0 pts;  
>1 to 2 years = 4 pts;  
> 2 to 3 years = 6 pts;  
> 3 years = 10 pts

#### **Answer #10:**

Point-rated technical criteria BTR1, BTR6, EAR1 and EAR3 are being amended. Please refer to section 3. below.

Point-rated criteria EAR2 remains unchanged.

#### **Question #11**

*"Name of bidder" noticed what might be some conflicting information, as follows:*

Page 6 of 108, paragraph 1.2

Summary, subpara (k) indicates that the estimated number of resources for the PL position is three (3)

Page 11 shows 3 PLs (as indicated in the number of days – 660)

Page 57 (SOW) also indicates that 3 PLs are required

Page 84 Annex B Basis of Payment tables seem to indicate only one PL is required (i.e. P.8 seems to be only one position within the table

Page 94, Attachment 4.1 Mandatory Technical Criteria

Paragraph 3 Corporate Mandatory Criteria CM1<sup>PB</sup>

Bidder must provide one resume each for BTA, BA, PL and EA. From this we understand that only one resume for this category need be submitted.

<b>Solicitation No. – N° de l'invitation</b> <b>W6369-19CY05/A</b>	<b>Amd. No – N° de la modif.</b> <b>002</b>	<b>Buyer ID – Id de l'acheteur</b> <b>001IPS</b>
<b>Client Ref. No. – N° de réf. De client</b> <b>W6369-19CY05</b>	<b>File No. – N° du dossier</b> <b>001IPS. W6369-19CY05</b>	<b>CCC No./ N° CCC – FMS No/ N° VME</b>

Could the Crown confirm that the bidder need only provide Grids and resumes for one of the PL positions only, in other words, a submission consisting of four resources and resumes (One (1) Business Transformation Architect, One (1) Business Analyst, One (1) Enterprise Architect and One (1) Project Leader)?

**Answer #11:**

Please refer to section 4.2 c) Number of Resources Evaluated and Corporate Mandatory Criteria CM1 <sup>PB</sup> under Attachement 4.1 Mandatory Technical Criteria.

The bidder must propose:

- one (1) resource for the Business Transformation Architect – Level 3 (B.7) category;
- one (1) resource for the Project Leader – Level 3 (P.8) category;
- one (1) resource for the Business Analyst – Level 3 (B.1) category; and
- one (1) resource for the Enterprise Architect – Level 3 (P.2) category

**Question #12:**

*PLM4 states:*

The Bidder must clearly demonstrate that the proposed resource has at least one of the following academic credentials:

A degree from a recognized university in the sciences, engineering or information management;

OR

A diploma (minimum 2 years) from a recognized college in the sciences, engineering or information management.

Would the Crown consider relaxing the requirement to require a combination of experience with some post-secondary education?

**Answer #12**

PLM4 has been removed and replaced by a new point-rated criteria (PLR5).

Please refer to Section 3. below.

**Question #13:**

Pursuant to our question below, would the Crown consider a one-week extension to the closing date, to take into account the delays which may have arisen from previous questions?

**Answer #13:**

Please refer to Answer #9 above.

## 2. Extend the bid solicitation period

The bid solicitation closing date is amended as follow:

DELETE: February 13<sup>th</sup>, 2020 at 2:00 PM (EST)

INSERT: February 20<sup>th</sup>, 2020 at 2:00 PM (EST)

## 3. Revise the point-rated technical evaluation criteria

- a) APPENDIX C TO ANNEX A – RESSOURCE ASSESSMENT AND RESPONSE TABLE is deleted in its entirety and replaced by:

### APPENDIX C TO ANNEX A RESOURCES ASSESSMENT CRITERIA AND RESPONSE TABLE

To facilitate resource assessment, Contractors must prepare and submit a response to a draft Task Authorization using the tables provided in this Annex. When completing the resource grids, the specific information which demonstrates the requested criteria and reference to the page number of the résumé should be incorporated so that Canada can verify this information. The tables should not contain all the project information from the resume. Only the specific answer should be provided.
