

OPEN HOUSE EVENT INVITATION

March 24 - 25, 2020

Public Services and Procurement Canada (PSPC) is undertaking a transformation to shape its future by modernizing its workplaces. Our goal is to create spaces where people want to come to work. We offer modern, open, airy and bright work spaces that inspire.

By visiting **Public Services and Procurement Canada's Real Property Services'** work spaces at **480 De la Cité Boulevard in Gatineau** or **110 Place d'Orléans Drive in Orléans**, you will discover a workplace:

- Where collaboration is encouraged through the integration of flexible furniture and technological tools that help reduce working in silos by encouraging co-creation and the sharing of ideas.
- That supports the vision towards greening where sustainability, whether social or environmental, is at the heart of decision making. It is adaptable to change, healthy for its occupants and has a reduced environmental footprint;
- That seeks to promote the physical and mental health of employees. It is designed to allow more natural light, better air circulation, and quiet, restful areas.

Take this opportunity to invite a colleague to join you. (Maximum: 1 guest)
