1.2 Summary

- 1.2.1. This requirement is for the provision of temporary help services to federal government departments and agencies in one or more of the geographical Areas listed in Annex "A" Statement of Work, on an as and when requested basis.

There are 18 geographical Areas within the Ontario Region (excluding National Capital Region), which are listed in this solicitation's Annex "A" Statement of Work under Article 3. Areas.

There are 4 temporary help services categories:

- Administrative Support
- Professional and Administrative
- Technical and Operational
- Telecommunications and Engineering Services

These categories are further broken down into classifications viewable at: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/procedures/services-eng.cfm>

Temporary help services may be required from Offerors who provide the services of employees to other organization on a temporary basis when the other organization's incumbent employee is absent for a period of time; during a temporary workload increase, or when a position is in the process of being staffed.

- 1.2.2 It is intended to issue multiple Standing Offers to qualified Offerors as the result of this Request for Standing Offer process.

A Standing Offer is not a Contract and does not commit Public Works and Government Services Canada (PWGSC) to procure or contract for any goods, services or both. Any Standing Offer resulting from this Request for Standing Offer constitutes an Offer made by an Offeror for the provision of certain services to Canada at prearranged prices, under set terms and conditions that is open for acceptance by one or more Identified User(s) on behalf of Canada during a specified period of time.

The resulting Standing Offers including Offeror(s)' prices will be accessible to Identified User(s) through an electronic catalogue.

This electronic catalogue will be updated semi-annually (every 6 months) to enable new Offerors the ongoing opportunity to qualify for a Standing Offer, and to enable existing Standing Offer Holders to revise their rates or contacts, or qualify for additional Areas. For the refresh, a Notice of Proposed Procurement (NPP) and a Request for Standing Offer (RFSO) will be posted on the Buy and Sell (<https://buyandsell.gc.ca/>) website.

- 1.2.3 The period for making call-ups against the resulting Standing Offer is from June 1, 2020 to May 31, 2021.
- 1.2.4 The requirement is subject to the provisions of the Canadian Free Trade Agreement (CFTA) and Comprehensive and Progressive Agreement for Trans-Pacific Partnership (CPTPP).
- 1.2.5 This procurement includes a Voluntary Set-Aside for Aboriginal Business. For further information on the Set-Aside Program for Aboriginal Business, contact the Aboriginal Procurement and Business Promotion Directorate, Indigenous and Northern Affairs Canada, at 1-800-400-7677 or by e-mail at: saea-psab@aadnc-aadnc.gc.ca. Call-ups to identified Aboriginal businesses under this Standing offer will be set aside under the federal government's Procurement Strategy for Aboriginal Business, as detailed in Annex 9.4 Requirements for the Set-aside Program for Aboriginal Business, of the Supply Manual.
- 1.2.6 Effective February 1, 2017, PWGSC requires electronic fingerprinting as part of any new, renewal or upgrade of personnel security screening request. The accredited fingerprint service provider will charge market value for their processing services and fee charged may vary from one provider to the next. Offerors whose resources require a new, renewal or upgrade personnel security clearance are responsible for absorbing all costs associated with these fees. Learn how this will change the personnel security screening process for those required to work on Government of Canada contracts: <http://www.tpsgc-pwgsc.gc.ca/esc-src/personnel/empreintes-obligatoire-mandatory-fingerprints-eng.html>

1.3 Security Requirements

ANNEX "B"

BASIS OF PAYMENT

Payment will be determined by the actual hours worked and the firm hourly rate specified in the Call-up document.

1.1 Firm Hourly Rate:

Only one firm hourly rate is to be provided per classification. The prices must be an all inclusive firm hourly rate in Canadian funds including salary, overhead, profit, benefits, annual leave, sick leave, for the provision of a temporary help unilingual English speaking resource. The firm hourly rates listed in the electronic catalogue form part of this Annex B - Basis of Payment.

1.2 Call-ups beyond six months:

The rate identified in the call-up, will apply for the entire period, including any amendments extending the period of the call-up.

1.3 Travel and Living Expenses:

All travel and living expenses between the temporary employee's residence and the work site and/or the Offeror's premises are the sole responsibility of the temporary help personnel and/or the Offeror.

However, should the temporary help employee be required to travel beyond the parameters stated above, the following will apply:

The Contractor will be reimbursed its authorized travel and living expenses reasonably and properly incurred in the performance of the Work, at cost, without any allowance for profit and/or administrative overhead, in accordance with the meal, private vehicle and incidental expenses provided in Appendices B, C and D of the *National Joint Council Travel Directive* and with the other provisions of the directive referring to "travellers", rather than those referring to "employees".

All travel must have the prior authorization of the Project Authority.

All payments are subject to government audit.

1.4 Premium for Bilingual Services:

In those circumstances when the services of bilingual personnel are specifically requested by the Identified User, the Offeror will add a premium of \$0.55 per hour on the firm hourly rate applicable to the classification requested. Should the Offeror not specify a bilingual staff member, it will be presumed the services will be unilingual English only.

1.5 Overtime

The overtime multiplier should be identified on the appropriate location of the spreadsheet but will not be used in the evaluation. The overtime multiplier will be identified in the catalogue for overtime situations and to break "ties" to rank firms with the same firm hourly rates. The overtime multiplier is that quoted number which when multiplied by the firm hourly rate for any classification will yield a bill rate in situations when a Project Authority has specifically authorized overtime as applicable to the Province/Territory where services are provided. The overtime rates will be calculated by multiplying the overtime multiplier by the firm hourly rate for the classification provided. The overtime multiplier must not include any element of overhead and profit, but confined solely to the increase in wages and employer contributions.

Example:

Firm hourly rate: \$20.00/hour

Rate exclusive of overhead, profit, benefit, etc.: \$15.00/hour

Although employee gets 1.5x their rate for overtime the overtime multiplier would be 1.125 not 1.5. The Standing Offer Authority will be performing periodic audits to ensure that the overtime multiplier is less than 1.5.

Overtime rates can only be paid for time worked at the given assignment in excess of the hours stipulated by Provincial/Territorial Legislation per week (and/or per day). For the purposes of calculating overtime, the week begins on Monday. All overtime requires the prior approval of the Project Authority and no other reason will justify billing at the overtime rates.

1.6 Statutory Holidays/Annual Leave/Sick Leave:

No temporary help personnel shall work on a statutory holidays identified within this article. Statutory holiday pay is the sole responsibility of the Offeror. Temporary help personnel are not to work on any of the statutory holiday identified in the sentence below.

Federal government offices are generally closed on the following statutory holidays: New Year's Day, Good Friday, Easter Monday, Victoria Day, Canada Day, Civic Holiday, Labor Day, Thanksgiving Day, Remembrance Day, Christmas Day, and Boxing Day.

Canada will not accept any charges for statutory holidays or annual leave or sick leave incurred by the Offeror as a consequence of satisfying the terms of the resulting Call-up.

1.7 Family Day:

Family Day is observed as a public (or statutory) holiday in the province of Ontario and is held every year on the third Monday of February. This is an Ontario provincial holiday that the Federal Government of Canada has not adopted and, as a result, all Identified Users should not request temporary help resource to work on Family Day.

1.8 Interview fees for administrative support categories only:

Canada has the right to request an interview for temporary help employees. Normally, interviews are not necessary for employees in the Administrative Support category because Offerors have already carried out a selection process using interviews and tests. When an Identified User invites an administrative support candidate to an interview, the Offeror will charge the department or agency the equivalent of four (4) hours of work, at the rate established for the level in question. In this situation, the Identified User will issue a call-up and sign the time sheet.

Interviews required for other categories will not be charged under the Standing Offer. It is the duty of a Standing Offer Holder to find up to three (3) of the best qualified employees available to meet the requirements. In these categories, Standing Offer Holders will provide résumés or work samples of the proposed personnel and the Project Authority will be entitled to one (1) interview for up to three (3) candidates, at no charge.

1.9 No charge for Unsatisfactory Services Reported within first four (4) hours:
