Amendment 001

This amendment is being raised to distribute the answers to bidder questions and make revisions to Appendix C – Team Identification Format.

A. QUESTIONS AND ANSWERS

Q1 Landscaping is listed as a Required Service in the RS Document Section 3.1.1; however, there is no Personnel Rate required in the Appendix B Price Proposal form. Do you want the Proposal to include personnel for Landscape design in the Team section?

A1 No details for landscape design personnel are required.

Q2 A position of Chief Engineer is identified as one of the Key Personnel. Is this position intended to be similar to a Senior Project Manager position?

A2 The Chief Engineer position must meet the minimum experience requirements listed in *Part 6 – Submission Requirements and Evaluation (SRE), Section 3.1.4 (page 51)* and shall oversee management of the program of work.

Q3 A position of Resident Engineer is identified in the RS in Section 10.10.2. Section 10.10.3 notes that the position can be filled by a construction inspection technologist with a minimum of 10 years of recent relevant experience under the supervision of a professional engineer. The Definitions in the table on Page 51 of the RFSO identify a Senior Structural Supervisor requiring a minimum of 15 years of experience and an Intermediate Structural Supervisor with a minimum of 5 years of experience. Please clarify which Key Personnel position the Resident Engineer is filling and the experience required.

A3 Any personnel listed in *Part 6 – Submission Requirements and Evaluation (SRE), Section 3.1.4 (page 51)* that also meet the requirements of Resident Engineer as identified in *Standing Offer Brief Required Services (RS), Section 10.10 - Inspections and Supervision* are eligible to perform the Resident Engineer duties.

Q4 For the positions listed in items 6-8 and 14-16 on Page 51 of the RFSO, please clarify the requirements for these positions. Is there a requirement for Technologist qualifications or a P.Eng. (for Senior/Intermediate Supervisor Positions)?

A4 No, there is no requirement for P.Eng. or Technologist qualifications for these positions. The minimum experience requirements are for years of directly related experience only.

Q5 Team Identification form (Appendix C) has the following Positions: Project Director, Project Manager, Senior Structural Engineer, Intermediate Structural Engineer, Senior Bridge Supervisor. These are different than the Key Personnel Listed on Page 53 of the RFSO. Please clarify which list is correct for the Key Individual identification?

A5 The Key Personnel are listed in *Part 6 – Submission Requirements and Evaluation (SRE) Section 3.2.4.2 (page 53)*, and in bold in the table in *Section 3.1.4 (page 51)*. Refer to updated *Appendix C* below.

Q6 What are the required qualifications for the Project Director?

A6 See answer to #5 and revised *Appendix C* below.
