Date: 2020-02-25

The following changes in the tender documents are effective immediately. This Addendum will form part of the contract documents.

Questions and Answers

Question #1: The Amendment No. 003 answered as follows - *Canada has identified that line item 4 - Site Facilities Operations states 6 weeks in Unit Price Table, however; based on the anticipated award date all work under the contract, once awarded, shall be completed by March 31, 2020. Bidders shall not consider the 6 week duration in line item 4 Site Facilities Operations in the Unit Price Table for their bid.*

Please specify if line item 4 will be paid as a lump sum or the number of weeks should be changed to 4? Will a new Unit Price Table be issued?

Answer #1: Line Item 4 will be paid as lump sum. See attached for the revised Unit Price Table.

Question #2: Section 02 61 00.05 Contaminated Sites Soils Disposal is missing from the specifications, however it is mentioned in the SPECIFICATIONS INDEX. Please provide Soil Disposal specs.

Answer #2: See attached for the corrected pages.
