Front Mount Mower - Lower Fort Garry National Historic Site, MB

---

**Amendment No. 001 is raised to answer bidder questions submitted via Email.**

Q1: *Please confirm the following regarding the above listed Bid Solicitation:*

- *The Solicitation is for a front mower with only Side Discharge Deck and front mounted snow blower*
- *All items listed with N/A are not applicable (Blade, Sweeper, Cab, Rear discharge deck)*
- *Are there more detailed unit specifications available other than Annex B – Requirement?*

A1:

- **Bidder is to provide a quote in accordance to Supply Arrangement E60HS-18MOWR for One (1) Group 1 – Front mower (Configuration A) with the two (2) Vehicle Accessories and Features:**
  - **Front-mounted cutting deck – Side discharge; and**
  - **Front-mounted snow blower.**
- **Confirmed, all items listed with N/A are not to be supplied or provided on the quote**
- **Details and specifications can be found under Supply Arrangement E60HS-18MOWR, specifically within Annex “A” Purchase Description Riding Mowers and Appendix A1 Group 1 - front mower specific requirements.**

Q2: *Is the bid just for the mower with Side discharge front mount deck and front mount snow blower? The other items have N/A beside them.*

A2: **Yes, the Bidder is to provide a quote in accordance to E60HS-18MOWR for One (1) Group 1 – Front mower (Configuration A) with the two (2) Vehicle Accessories and Features:**

- **Front-mounted cutting deck – Side discharge; and**
- **Front-mounted snow blower.**

Q3: *I see that on page 21 you are asking for a snow blower attachment but not a cab? Is this correct? It seems like it would be very cold operating a snow blower without a cab. Can you please confirm if you require a cab for the front mount mower?*

A3: **No cab is required. Yes, Parks Canada Agency is wanting the inclusion of the snow blower attachment. We have another mower with a cab.**

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
