This amendment 001 is raised to answer questions from suppliers.

Q1: I may be interested in being a supplier, but would appreciate a simplified understanding of the process and some insight regarding the purpose, and the intended user of the reports.

R1: As indicated in the ANNEX A – STATEMENT OF WORK, the purpose of this requirement is to establish a list of pre-qualified real estate appraisers (accredited or designated) and related professionals, to provide real estate appraisal and valuation related services across Canada through Contracts (under a Supply Arrangement).

This method of supply will establish a list pre-qualified suppliers to enter into Contract(s) for the provision of various real estate appraisal and valuation professional services described herein for the Government of Canada. This method of supply covers areas of real estate appraisal services commonly and nationally used; including but not limited to commercial, residential, industrial, institutional, and other specialized types of real property. Real estate appraisal services can include, but not be limited to, such services as concise appraisal reports, market lease rate reports, replacement cost reports, feasibility studies, and highest and best use analysis and other financial real property reporting specific to the Government of Canada.

Public Services and Procurement Canada, through the Appraisal and Valuation Services and the Office of the Chief Appraiser within Real Property Services Branch, is the identified user on behalf of all government departments and agencies.

As for the simplified understanding of the process, you can find your answer in question 2 and 3.

Q2: I have been to the two websites listed and am still curious on how I can get signed up for this as I have not in the past. I am hoping you can send me the appropriate link or application if applicable? Not sure if it is as simple as joining the list of Interested Suppliers for RP Appraisal Services.

R2: You need to submit a bid and not just register as a supplier.

You need to go to the buy and sell page: <https://buyandsell.gc.ca/procurement-data/tender-notice/PW-FK-312-78516>

On the bottom of the page you will find the RFSA in solicitation document (the first document) you need to click on it and upload the document and follow the instructions in the document.

All amendments will be posted at the same place in solicitation documents.
