6.3.1.1 Warranty

Section 09 of General Conditions 2010A (2018-06-21) is amended as follows:

The Contractor must provide an unconditional warranty on all major components (engine, axles, gear boxes, differentials, clutch assemblies, drive system) and repair labor for a minimum of 2 000 hrs or 24 months, from the date the vehicle is initiated into service.

The Contractor must provide parts and labor warranty for a minimum of 18 months or 1 000 hrs, from the date the unit is initiated into service, on all the non-major components and accessories of the vehicle.

The Contractor shall provide an estimate of the repair time within 24 hours of the repair request. As long as the warranty remains applicable, the contractor shall perform standard repairs and maintenance at the delivery site or assume the cost of moving the vehicle himself (towing, insurance, meals, accommodations, salary, as the case may be, etc) if it cannot be repaired on site. On occasions where moving the vehicle may adversely affect its condition, the vehicle shall be transported on a platform.

If the requested repairs have not begun within 72 hours of the request, Transport Canada reserves the right to complete the repairs and bill the Contractor for the parts and time, which shall not exceed the standard time allotted for repairs and the current hourly rate for trade's employees at Transport Canada.

The Contractor shall provide detailed information on the current manufacturer's warranty for the vehicle/equipment and components that exceed the minimum guarantee period specified in the contract. Additional standard warranty from the manufacturer of components/subset of the original equipment manufacturer will be part of the proposed contract.

The Contractor must provide an unconditional warranty on all major components (engine, axles, gear boxes, differentials, clutch assemblies, drive system) and repair labor for a minimum of 2 000 hrs or 24 months, from the date the vehicle is initiated into service.

The Contractor must provide parts and labor warranty for a minimum of 18 months or 1 000 hrs, from the date the unit is initiated into service, on all the non-major components and accessories of the vehicle.

As long as the warranty remains applicable, the contractor shall perform standard repairs and maintenance at the delivery site or assume the cost of moving the vehicle himself (towing, insurance, meals, accommodations, salary, as the case may be, etc) if it cannot be repaired on site. On occasions where moving the vehicle may adversely affect its condition, the vehicle shall be transported on a platform.

The Contractor must pay the transportation cost associated with returning the Work or any part of the Work to the Contractor's plant for replacement, repair or making good. The Contractor must also pay the transportation cost associated with forwarding the replacement or returning the Work or part of the Work when rectified to the to the delivery point specified in the Contract or to another location as directed by Canada. If, in the opinion of Canada, it is not expedient to remove the Work from its location, the Contractor must carry out any necessary repair or making good of the Work at that location. In such cases, the Contractor will be responsible for all Costs (including travel and living expenses) incurred in so doing, Canada will not reimburse these Costs.

If the requested repairs under warranty have not begun within three (3) working days of the request and completed within a reasonable length of time or if the Contractor has no repair facilities in the immediate vicinity (within 100 kilometres) of the specified delivery destinations (consignees), Canada reserves the right to complete the repairs and bill the Contractor for the parts and time, which shall not exceed the standard time allotted for repairs at the rate for labour of 110.00\$. Parts covered by the warranty must be provided without any charge by the Contractor. Other parts necessary for the repair will be charged at cost, without any markup. Supporting documents may be provided if necessary.

The Contractor shall provide detailed information on the current manufacturer's warranty for the vehicle/equipment and components that exceed the minimum guarantee period specified in the contract. Additional standard warranty from the manufacturer of components/subset of the original equipment manufacturer will be part of the proposed contract.

ALL OTHER TERMS ET CONDITIONS REMAIN THE SAME.
