2.3 Former Public Servant - Competitive - Offer

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPS, offerors must provide the information required below before contract award. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the offer non-responsive.

Definitions

For the purposes of this clause, "former public servant" is any former member of a department as defined in the Financial Administration Act, R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the Public Service Superannuation Act (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the Supplementary Retirement Benefits Act, R.S., 1985, c. S-24 as it affects the PSSA. It does not include pensions payable pursuant to the Canadian Forces Superannuation Act, R.S., 1985, c. C-17, the Defence Services Pension Continuation Act, 1970, c. D-3, the Royal Canadian Mounted Police Pension Continuation Act, 1970, c. R-10, and the Royal Canadian Mounted Police Superannuation Act, R.S., 1985, c. R-11, the Members of Parliament Retiring Allowances Act, R.S., 1985, c. M-5, and that portion of pension payable to the Canada Pension Plan Act, R.S., 1985, c. C-8.

2.4 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than seven (7) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

2.5 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Alberta.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If the Offeror is simultaneously providing copies of its offer using multiple acceptable delivery methods, and if there is a discrepancy between the wording of any of these copies and the electronic copy provided through epost Connect service, the wording of the electronic copy provided through epost Connect service will have priority over the wording of the other copies.

2. Services to be Performed

The Offeror will be responsible for the delivery and pick-up of the school buses to and from DND Garrison Wainwright, Base Transport, Bldg. 619, Denwood, Alberta, T0B 1B0.

Each bus must have the seating capacity of at least 46 adults.

Notice of five (5) days will be given to the Offeror if more than three (3) buses are required at one time. A minimum of three (3) hours' notice will be provided in the event of cancellation or a change in the requirement. In the event of a cancellation, if less than three (3) hours' notice has been provided and the unit(s) has/have been dispatched; the onetime cancellation fee per unit(s) will apply.

In the event of an emergency (i.e. fires, floods, National Operational requirements) a reasonable short notice of one (1) to four (4) hours' notice will be provided to the Offeror for a call-up.

In the event of a vehicle breakdown, a substitute vehicle is to be provided at no additional cost to Canada within forty-eight (48) hours of notification by the representative of DND Garrison Wainwright and is to be delivered to the location identified by DND Garrison Wainwright.

4. Licensing

The Offeror is responsible for making sure all school buses are properly licensed and insured by the Public Vehicles Act and the regulations there under, and all other acts governing the Public Transport Act for school buses. Canada reserves the right to inspect and/or reject the Offeror's equipment if found to be neglected or in poor working condition (i.e. bald tires, in need of repair, leaky hydraulics, etc.), or does not meet applicable provincial/federal standards for such vehicles.

5. Inspection

All school buses will be inspected by DND and personnel prior to using. School buses that fail the acceptance inspection will be rejected by the Call-up Authority and another school bus will need to be provided by the Offeror.

At the time of acceptance and inspection, a DND acceptance and inspection form for rental units shall be completed jointly by the Offeror and the DND Call-up Authority or delegated representative. The form shall indicate the condition of the school bus(es) upon commencement of the rental and shall be signed by both parties.

At the end of the rental period, the Offeror and the Call-up Authority will again conduct an inspection using the same form indicating any damage that occurred during the rental period, determining liability for same and each party shall sign the completed form.

6. Mechanical Breakdown

In the event of a mechanical breakdown, the Offeror will be responsible for dispatching a licensed mechanic and mobile service unit to perform repairs as required.

If repairs can't be performed within eight (8) hours of notification by the Call-up Authority, the Offeror is to send a replacement school bus meeting the same requirements as stated, to the breakdown location immediately at no extra cost to Canada.

7. Routine Maintenance and Repairs

The Offeror is responsible for the maintenance and repairs associated with routine scheduled maintenance of all school buses offered and will be at no extra cost to Canada. The school buses must be equipped with proper safety devices (e.g. fire extinguishers, first aid kits, etc.).

All vehicles must meet the minimum specifications outlined in Annex A Statement of Work.

9. Normal Wear and Tear

The term "normal wear and tear" refers to the natural amount of deterioration, which can be expected over the term of the rental and include:

- Tire wear, paint chips and minor scratches that do not extend to the base metal;
- All paint scratches and paint wear and minor dents to the interior;
- Paint chips caused by stones thrown by the wheels of the vehicles;
- Frayed or scratched emergency brake cables;
- Interior wear and tear of vehicles not including holds, burns or tears of interior surfaces;

-
- Tire wear and damage, provided that the tires meet provincial safety standards.

Removal of decals or signage and any resultant paint repairs are not considered normal wear and tear and will be chargeable as a repair.

10. Special Considerations

Damage incurred to the school bus between the time of delivery from the Offeror's site and time the school bus returned (end of rental period) to the Offeror's site, will be the responsibility of the Offeror.

Canada is responsible for loss and damage to the vehicle supplied under a call-up to this Standing Offer during the rental period if caused by the negligence or carelessness of employees of Canada and recorded to the extent, that the loss or damage is not the result of an Act of God or normal wear and tear.

Canada shall be given the opportunity, if it so desires, to obtain its own estimate through a third party on the identified repairs, in order to validate the Offeror's estimate.

If the vehicle has been damaged due to the negligence or carelessness of employees of Canada, lost time will be considered and negotiated between the Standing Offer Authority, the Offeror and the Department of National Defence.

Once the value of the repairs has been established, the Offeror will invoice Canada for the agreed amount. Invoices shall include copies of the estimates and the actual repair invoices.

ANNEX B BASIS OF PAYMENT

1. Basis of Payment

- a. Prices must be submitted as outlined below.
- b. Prices must be submitted for all line items, for all three (3) years.

- d. GST is not to be included in the prices shown but will be added to any invoices as a separate line item.

2. Estimated Usage Information

Estimated usage provided is for the sole purpose of establishing an evaluation tool, based only on a best estimate, and in no way reflects the actual usage expected or any commitment on the part of Canada.

The highest season for bus rentals is anticipated to be between the months of April through June. It shall be expected by the vendor that some months may not require a per trip, daily, weekly, and/or monthly rental. Other months the Department of National Defence may require any combination of stated Units of Issue and/or estimated usages. Other variables which may factor in are those of a National Emergency.
