This amendment is raised to address the following:

Q1) Would you be interested in a quote for LEED Certifying this project?

R1) No, this is not required.

Q2) In regards to RFP M5000-20-3236/A for the Solicitation of Architectural and Engineering Services for the RCMP Detachment in Kindersley, Saskatchewan, could you clarify item 8.1.3.1 from the RFP, which reads “All members of the consultant team shall be eligible to work in the Province of Saskatchewan”?

R2) Please refer to response below to question 3.

Q3) Our team was wondering if we need to be currently licensed to practice in the province of Saskatchewan to submit a proposal, or if this is something we can apply for if we are the successful proponent.

R3) All members of the consultant team must be licensed to practice in Saskatchewan and if proof of licensing is not provided with bid, licensing will have to be provided within five (5) days upon request from the Contracting Officer.

**Delete:**

**M1.2** All key team members listed above must be licensed, certified or otherwise authorized to provide the necessary professional services to the full extent that may be required by law in the province of Saskatchewan.

M1.2.1 Proof of licensing/certifications/ authorizations should be provided with submission of bid or must be provided prior to contract award. If proof is not provided, the Contracting Authority will inform the Proponent of a time frame within which the proof must be provided. Failure to provide the documentation within the time frame specified will render the bid non-responsive.

M1.2.2 If the Proponent is a Joint Venture, each member of the Joint Venture must meet this mandatory requirement and provide proof in accordance with M1.2.2 above.
